YOUTH HOUSE

PSYCHIATRIST'S REPORT

Bronx

Date of Admission 4/16/53

Date of Examination May 1st, 1953.

Psychiatrist Nanatus Hartogs, M.D., Ph.D.

[illegible] well built, well nourished boy was remanded to Youth House for the first time [illegible] from school and of being beyond the control of his mother as [illegible] is concerned. This is his first contact with the law.

[illegible] the dislikes intensely talking about himself and [illegible] the impression that he doesn't care about others and [illegible] himself so that he is not bothered and does not have to make [illegible] It was difficult to penetrate the emotional wall behind [illegible] and he provided us with sufficient clues, permitting us to see [illegible] feelings of [illegible] and insecurity as the main reasons for [illegible] and solitary habits. Lee told us: "I don't want a friend [illegible] to talk to people." He describes himself as stubborn and according [illegible] to say "no." Strongly resistive and negativistic features were [illegible] psychotic mental content was denied and no indication of psychotic [illegible] was arrived at.

[illegible] functioning presently on the bright [illegible] His abstract thinking capacity and his vocabulary [illegible] in school subjects could be found in spite of his [illegible] Lee lists his interests as reading magazines and looking at the [illegible] He dislikes to play with others or to face the learning [illegible] claims that he is "very poor" in all school [illegible] The discrepancy between these claims and his [illegible] the low degree of selfevaluation and selfesteem at which [illegible] mainly due to feelings of general inadequacy and [illegible]

[illegible] as his father died before he was born. Two older [illegible] the mother supports herself and [illegible] it impossible for her to provide [illegible] school regularly. Lee is intensely [illegible] the only way in which he [illegible] with other children [illegible] very angry at his mother [illegible] without having bought [illegible] to prepare some food with what [illegible] rejects him and really has never [illegible] with regard to his brothers [illegible] brotherly interest in him. Lee [illegible] and poker, through [illegible] and frustrations. He did not [illegible] him whether he prefers the [illegible] his occupational [illegible] by the Youth House social worker [illegible] and intellectually [illegible] personality and his [illegible] is a form of
