ASSASSINATION OF MARTIN LUTHER KING, JR.

James Earl Ray has been identified as the subject in the case involving the murder of Martin Luther King, Jr.

Extensive investigation has been conducted, and no information has been developed indicating his present whereabouts. In order to possibly assist in locating and apprehending the subject, it would be of extreme value to know if the subject has made any contact, either personal or by telephone, with his sister, Carol Pepper, as well as his brother, John Larry Ray.

In view of the above, it is requested that you authorize installation of a technical surveillance at the residence of Carol Pepper and at the Grapevine Tavern, owned by Carol Pepper and operated by John Larry Ray. It is also requested that you authorize installation of microphone surveillances on the residences of Carol Pepper, and John Larry Ray, as well as the Grapevine Tavern.

These installations could assist in the early apprehension of the subject, which could possibly be instrumental in reducing the stresses and tension placed on our national security subsequent to the death of Martin Luther King, Jr.
