Dear Sylvia,

This just got de-classified, probably for two reasons.

(1) Lattimer first mentioned it and
(2) Paul Hoch and I pushed the Archives to the point of threatening suit if they did not let us have a copy.

Also enclosed my latest to Rowley in an attempt to get this matter cleared up for the record. I have no idea how he will handle this. I can't wait to hear his reply.

Peace,

Fred

P.S. I sent this to Weckt
