TO: SY - Mr. Muhonen

FROM: H - James E. Briggs

When the Secretary received the attached cable on November 13, I called Mr. Duke Merriam, Senator Kuchel's Legislative Assistant, to ascertain if he had any information regarding Mr. Amenhauser and why he might have sent a telegram to the Secretary. After checking his files, Mr. Merriam said Amenhauser had contacted Senator Kuchel's office several times previously, sometimes giving predictions of dire events. Mr. Merriam said he thought SY and the FBI should know about Mr. Amenhauser. Mr. Merriam sent me copies of the Senator's file on Mr. Amenhauser. Two copies of the file are attached.
