BLAKEY stated in a public hearing Sept 26 1978 in a prosecution of ~~the Henry Hill case — Carlos Gambino~~.

the possibility that Carlos Santo Trafficante conspired to kill the President,

"The Committee cannot be conclusive, but it can say that Vecchio's allegations remain undisputed, and that the Committee has obtained an indication of the existence of a Francisco Bishop, or someone using that name. The meaning of this story remains, as yet, indeterminate."
