Pakistani Youths Protest U. S. Acts

KARACHI, Pakistan, July 31 (UPI) — A group of Pakistani students, shouting for closer friendship with Communist China, today staged an anti-American demonstration in front of the U. S. embassy.

The demonstrators handed embassy officials a letter addressed to President Kennedy charging U. S. interference in Pakistan's affairs.

imprensa, and had been held virtually incommunicado for a week.

The court originally voted 4-to-4 on a writ of habeas corpus. Acting Chief Justice Alvaro Ribeiro da Costa, under Brazilian custom, then voted a second time to break the tie and free Fernandes.

Observers considered the result a slap at President Joao Goulart's administration.

The "secret" army messages which Fernandes published referred to Governor Carlos Lacerda of Guanabra state as "subversive" and the "culprit" in recent military unrest. Lacerda is an avowed candidate for the presidency in 1965.

Cuba Shoots 4 as Spies For the CIA

HAVANA, July 31 (UPI) Four Cubans were executed by a firing squad early today as spies for the United States Central Intelligence Agency, the Cuban government radio reported.

They were identified as Angel Paleo Nieto, described as the leader of the group, Jose Manuel Rodriguez Suarez, Raciel Royer Sarriegul and Enrique Garela Palomino.

The Communist daily Hoy said Paleo Nieto was executed immediately after sentencing by a revolutionary tribunal. He was said to be a former U. S. soldier who was trained in espionage by the CIA and who recruited the other band members.

Hoy said trial evidence showed the group had successfully transmitted information to the United States on troop movements and military installations, "especially during the October (1962) crisis."

Three other alleged spies got 20-year sentences and a fourth drew a 12-year term.

The executions were the first announced by the Castro regime in several weeks.
