

'Legion Rank and File'

Group Incorporates

INDIANAPOLIS, Oct. 7 (C.T.P.S.).—Articles of incorporation were filed here today for "The Legion Rank and File, Inc., which was described as having the purpose of assisting and co-operating with the American Legion to "the end that it be purged of war-promoting politicians and political job seekers." The articles declare the organization will "oppose the sending of any members of the military forces of the United States to engage in active war on foreign battlefields without a declaration of war."
