## WHAT FIFTY FAMOUS MEN SAID ABOUT THE JEWS

---

¶ Many well-intentioned people hold the notion that only peculiar persons stigmatized as Nazis disapprove of the ethics of Jews. It is well to remember that the Jews have incurred the dislike of the leaders of every race and time. Read what the following outstanding men of history have said concerning this eccentric division of the human race.

---

### Marcus Tullius Cicero

*Roman Orator, born January 3, 106 B.C., died December 7, 43 B.C.*

“The Jews belong to a dark and repulsive force.”

“One knows how numerous this clique is, how they stick together and what power they are exercising through their unions.”

**Siculus Diodorus**

*Greek Historian, born 30 B.C., died 20 A.D., has reported:*

“The friends of King Antiochus (175 B.C.—163 B.C.) advised him to expel the Jews as they would not mix with others and regard everyone as their enemy.”

**Lucius Annaeus Seneca**

*Roman Philosopher, born 4 B.C., died 65 A.D.:*

“These pestilential people (the Jews) have been known to acquire such influence that they, the vanquished, dictate laws to us, the victors.”

**Quintus Septimus Florens Tertullian**

*Latin Church Father, born 160, died 230:*

“The Jews formed the breeding ground of all anti-Christian actions.”

**Jesus Christ**

*Founder of Christianity, born December 24, died April 7, 33. To the Jewish representatives:*

“Ye are of your father, the devil, and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie he speaketh of his own, for he is a liar, and the father of it.”

“O generation of vipers, how can ye, being evil, speak good things, for out of the abundance of the heart the mouth speaketh.”

**Mohammed**

*Religion Founder, born 570, died 632:*

“It is incomprehensible to me why one has not long ago expelled these death-breathing beasts. Would one not immediately kill wild beasts who devoured men, even if they had human form? Are these Jews anything else but devourers of men?”

---

---

What Fifty Famous Men Said about the Jews

---

**Justin Martyr**

*(St. Justin), Christian apologist, stated 116 A.D.:*

“The Jews were behind all the persecutions of the Christians. They wandered through the country everywhere hating and undermining Christian faith.”

**Abbot Tritheim of Wurzburg**

*Born February 1, 1462, died December 13, 1516:*

“It is clear that an objection to the usurious Jews is gradually developing amongst high and low. I approve of lawful methods of preventing the exploitation of the people by Jewish usury. Shall a foreign invading people rule over us? And rule over us not on account of their greater strength and courage or higher virtue, but through their wretched money? Shall these people dare to fatten themselves without punishment on the sweat of the peasant and the craftsman?”

---

---

What Fifty Famous Men Said about the Jews

---

**St. Thomas Aquinas**

*Philosophical Teacher, born 1225, died 1274:*

“The Jews should not be allowed to keep what they have obtained from others by usury; it were best that they were compelled to work so that they could earn their living instead of doing nothing but becoming more avaricious.”

**Desiderius Erasmus**

*Dutch Scholar, born October 28, 1467, died July 12, 1536:*

“What robbery and oppression of the poor there is by the Jews so that they cannot suffer any longer—God have mercy on them! The Jewish usurers are fast rooted even in the smallest villages and if they lend five florins they require a security of six times as much. They charge interest upon interest and upon this again interest so that the poor loses everything that he owns.”

---

---

What Fifty Famous Men Said about the Jews

---

**Martin Luther**

*Church Reformer, born November 10, 1483, died February 18, 1556:*

“All their heart’s wailing and longing terminates in the effect that they some day might deal with us as they did at Esther’s time in Persia. And how the Jews love the Book of Esther which is so suitable to their bloodthirsty, revengeful, murderous appetite and hope! The sun never has shone on such a bloodthirsty and vindictive people who cherish the idea of murdering and strangling the heathen.

“No other men under the sun are more greedy than they have been and always will be as one can see from their accursed usury. They console themselves that when their Messiah comes he will collect all the gold and silver in the world and divide it among them.

“One should destroy all prayer books and copies of the Talmud in which they learn

such Godlessness, lies, curses and blasphemies. Young Jews and Jewesses should be given flail, hoes, axes, spades, distaff and spindle so that they can earn bread by the sweat of their noses.”

**Giordano Bruno**

*Italian Philosopher, born 1548, died 1609:*

“The Jews are such a pestilential, leprous and dangerous race who deserve to be weeded out from the day when they are born.”

**Pope Clement VIII**

*Supreme Church Head, 1592-1605:*

“All the world suffers from the usury of the Jews, their monopolies and deceit. They have brought many unfortunate people into a state of poverty, especially farmers, working class people and the very poor.

“Then as now Jews have to be reminded intermittently anew that they were enjoying host rights in any country since they left Palestine and the Arabian desert, and sub-

sequently their ethical and moral doctrines as well as their deeds rightly deserve to be exposed to criticism in whatever country they happen to live.

“The chosen people of any nation are the original inhabitants of that country (Palestine and the Arabian desert) and members of any other emigrated race or nation in that respective country are to be regarded as guests and are entitled to nothing but guest rights.

“And the status of right and law is to be fixed by the original inhabitants of that country in question and not by a handful of foreigners who just happened to be equipped with a tremendous dose of insolence and a loose moving vocabulary, ruled by a temperamental emotion which is steered by a couple of greedy eyes.”

### **Peter the Great**

*Russian Emperor, born June 9, 1672, died February 6, 1725:*

“I prefer to see in my land Mohammedans and heathen rather than the Jews. The latter are crooks and swindlers. The Jews would get no permission to settle and to do business. Despite of my orders they are trying to do it and are bribing my officials for the purpose of becoming readmitted.”

### **Frederick the Great**

*King of Prussia, born January 24, 1712, died August 17, 1786:*

“The rulers must keep their eyes on the Jews, prevent their interference with wholesale trade, check the growth of the population and deprive them of the right of sanctuary whenever they commit an act of dishonesty. For nothing is more injurious to the trade of the merchants than the illicit profit which the Jews make.”

---

---

**Jean Francois Voltaire**

*French Writer and Freethinker, born November 21, 1694, died May 30, 1778:*

“The Jews are nothing but an ignorant and barbarous people who for a long time combined the most loathsome avarice with the most abominable superstition and an extinguishable hatred toward all people by whom they are tolerated and through whom they are enriched.

“The Jews are a horror to all people by whom they were admitted . . . at all times Jews have disfigured the truth by absurd fables.

“The Jews are the greatest scoundrels who ever besmirched this earth.

“The small Jewish nation dares to show an irreconcilable hatred toward other people’s possession. They are creeping when hard luck comes over them and impudent when prosperity sets in.”

---

**Benjamin Franklin**

*American Inventor and Statesman, born January 6, 1706, died April 17, 1790:*

“In whatever country Jews have settled in any great numbers, they have lowered its moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion . . . have built up a state within a state, and when opposed, have tried to strangle that country to death financially. . . .

“If you do not exclude them from the United States in this Constitution, in less than 200 years they will have swarmed in here in such numbers that they will dominate and devour the land and change our form of government. . . .

“If you do not exclude them, in less than 200 years our descendents will be working in the fields to supply them substance while they will be in the countinghouses rubbing

their hands gleefully. I warn you, gentlemen, if you do not exclude the Jews for all time your children's children will curse you in your graves. Jews, gentlemen, are Asiatics . . . they will never be otherwise. . . ."

**Samuel Adams**

*American Patriot, born September 27, 1722, died October 2, 1802:*

"If we are not represented we are slaves."

(Today in Federal, State and City government the U. S. Gentiles have permitted the Jews to be their official representatives.)

**Arthur Schopenhauer**

*German Philosopher, born February 22, 1788, died September 21, 1860:*

"The fatherland of the Jews are the other Jews, hence they are fighting for them like for altar and home and no other community on earth sticks as tight together as this one."

**Napoleon Bonaparte I**

*French Emperor, born August —, 1769,*

"I decided to improve the Jews; but I do not want more of them in my kingdom—in deed, I have done all to prove my scorn of the vilest nation in the world."

"The Jews are a nation capable of the most horrible crimes."

"I wanted to make a nation and citizens out of them, but they are good for nothing but dealing in second hand goods. I was compelled to proclaim laws against them for their usury and the peasants of Elsass have rendered me their thanks."

An Ordinance of March 17, 1808:

"1) Every big and small Jew in the peddling trade must renew his license every year.

2) Checks and other obligations are only redeemable if the Jew can prove that he has obtained the money without cheating. . . ."

**Maria Theresa**

*Queen of Hungary and Bohemia, born May 13, 1717, died November 29, 1780:*

"Henceforth no Jew, no matter under what name, will be allowed to remain here without my written permission. I know of no other more troublesome pest within the state than this race, which impoverishes by their fraud, usury and money-lending, the people, and commit all deeds which an honorable man despises. Subsequently they have to be removed and excluded from here as much as possible."

**Thomas Carlyle**

*Scotch Man of Letters, born December 4, 1881:*

"Actually and spiritually the Jews only deal in money, gold and old clothes; of real worth they have contributed nothing."

---

**Johann Gottfried Herder**

*German Author, born August 25, 1744, died December 18, 1803:*

"The Hebrews are a despicable race of cunning dealers, a race that never desires honour, home and country. That they ever could have been valiant warriors and honest peasants does not appear credible to us, for the disposition of a nation does not alter so quickly."

"A ministry in which the Jew means everything, a household where a Jew carries the key to the store room and to the cash box of the house, a department or a commissary where the Jew does the main business, a university where Jews act as brokers and money lenders to students are like the Pontinian swamps in which, after the old saying, the vultures eat their cadaver and from its rottenness the insects and worms suck their food."

### **Heinrich von Treitschke**

*German Historian, born September 5, 1834, died April 28, 1896:*

“The Jews are the cause of our misfortune.”

### **Count Helmuth von Moltke**

*Prussian General, born October 26, 1800, died April 24, 1891:*

“The Jews form a state and, obeying their own laws, they evade those of their host country.”

“It is seldom that the police investigate a robbery in which a Jew is not found either to be an accomplice or a receiver.”

### **Theodor Mommsen**

*German Historian, born November 30, 1817, died November 1, 1903:*

“The Old World Jewdom is an effective ferment of cosmopolitan and of national decomposition.”

### **Elizabeth Petrovna**

*Empress of Russia, born December 29, 1709, died January 5, 1762:*

“Jews are still existing in various parts of Russia. From these Christ haters we can expect nothing good. On account of these circumstances I give this order: All Jews, male and female, regardless of their rank and wealth, with all their property, have to leave immediately across the border. . . . From these enemies of Christ I want no profit.”

### **Friedrich Hebbel**

*German Poet, born March 18, 1813, died December 13, 1863:*

“The emancipation under those conditions as described by Jews would lead in the course of history to a crisis which would make an emancipation of the Christians necessary.”

**Johann Wolfgang von Goethe**

*German Poet and Statesman, born August 28, 1749, died March 2, 1832:*

“The reverend should rather quit his position than marry a Jewess in the name of the Holy Trinity.”

“The Israelites never were worth very much, as this people has been reproached a thousand times by its own leaders, judges, counsels and prophets. They have but small virtues and most of the faults of all other peoples.”

“They have no point of honor.”

**Prince Otton von Bismarck**

*German Chancellor, born April 1, 1815, died July 30, 1898:*

“I am no enemy of the Jews and if they should be my enemies, they are forgiven. I grant them all rights except to hold a high office in the State. It is the purpose of the State to introduce Christian doctrines and

there is no hope that this can be achieved successfully with the assistance of the Jews. I share this opinion with the masses of the lower section of the population and I am not ashamed of their company.”

**Nicholas I**

*Emperor of Russia, born July 6, 1796, died March 2, 1855:*

“The general ruination of the peasantry of these provinces is attributed to the Jews, who are second in import to the land owners; by their industries they exploit to the utmost the unfortunate population. They are everything here—merchants, contractors, pot-house keepers, millers, carriers, artisans, etc., and they are so clever in squeezing and cheating the common people on the unsown bread and discount the harvest before the fields are sown. They are regular leeches, who suck up everything and completely exhaust the provinces.”

**Johann Gottlieb Fichte**

*German Philosopher, born May 16, 1762, died January 27, 1814:*

“Through all European countries a hostile state is paving its way and lives on a war footing with all others and falls terribly hard on all citizens: It is Jewry!

“ . . . a country, where no unauthorized king may take my cottage away without me getting my right from the almighty minister, but the first Jew whom it pleases may rob me unpunished.

“And you are watching all this and cannot deny it even, but are talking sweet words of tolerance and human rights.”

**Ernest Moritz Arndt**

*German Patriot and Author, born December 26, 1769, died January 29, 1860:*

“The emigration of Jews from foreign countries should be prohibited and should be hindered. The Jews as Jews don't fit in

this world and in these states and for this reason I don't want their increase in an undue manner.

“Also I don't want them, because they are an entirely foreign people and I wish to preserve the Germanic tribe as free as possible from foreign elements. The emigration of foreign Jews who desire to come to our country is a menace and a pest to our nation.”

**Ernest Renan**

*French Orientalist and Historian, born February 27, 1823, died October 2, 1892:*

“The Jews are not merely a different religious community, but—and this is the most important factor—ethnically an altogether different race. The European feels instinctively that the Jew is a stranger, who immigrated from Asia. The so-called prejudice is natural sentiment. Civilization will overcome antipathy against the Israelite

who merely professes another religion, but never against the racially different Jew. . . .

"In Eastern Europe the Jew is the cancer slowly eating into the flesh of other nations. Exploitation of the people is his only aim. Selfishness and lack of personal courage are his chief characteristics; self-sacrifice and patriotism are altogether foreign to him."

**Ulysses S. Grant**

*U. S. Army General, born April 27, 1822, died 1885:*

"The Jews are a class of people violating every regulation of trade established by the Treasury Department, and also Department Orders, and are herein expelled from the department within 24 hours from receipt of this order."

**James Abraham Garfield**

*U. S. President, born November 19, 1831, died September 19, 1881:*

"Whoever controls the money of a nation controls that nation."

---

**Paul Kruger**

*President of Transvaal, born October 10, 1825, died July 14, 1904:*

"If it were possible to eject the Jew monopolists from this country's neck and crop without incurring war with Great Britain then the problem of everlasting peace would be settled in South Africa."

**Lord Harrington**

*(House of Lords), London, England. Speech held on July 12, 1858:*

"I oppose the admission of Jews because they are the great money lenders and loan contractors of the world. They do not care whether they support a good or a bad cause. The consequence is that the nations of the world are groaning under the heavy systems of taxation and national debt. They have ever been the greatest enemies of freedom."

### **William II, of Hohenzollern**

*German Kaiser, to the Jew, Dr. Theodor Herzl, on October 19, 1898:*

"Among your countrymen are some elements to dispose of whom in Palestine would seem very advisable. I'm thinking of the usurers in the Hesse district. If these with their possessions would settle in the colonies they could be more useful."

*And to the Turkish Sultan Abdul Hamid:*

### **Dr. Joseph Deckert**

*Austrian Pastor, March 6, 1895:*

"Only after the Jew is banished out of our hearts entirely and burnt to ashes the fight against Jewdom and Jewish domination can be renewed successfully. It was not a blind fanaticism that has made us anti-Semites fight, but the clear conception of the necessity of this fight. Not hatred against the Jews, but it is an emergency fight and love to our own people which we cannot leave at the mercy of a tribe strange to us. It is impossible that a Christian Aryan, in whose heart but one spark of Christian consciousness and Aryan pride and of love to one's own nation is glowing, can face these conditions any longer. Relief must come, legal, constitutional relief, before it is too late. For if nothing happens soon, we will march toward a terrible revolution which is liable to swallow up the last remnants of our Western civilization."

**Mr. Newdigate**

*House of Commons, London, England.  
Speech made on March 22, 1858:*

"I do not believe that the Jew is likely to be a better member of this House because he is a strict adherent of the Talmud, of which I can show that the tendencies are of an immoral, anti-social and anti-national character . . . the Jews have directly and indirectly brought about agitations and revolutions. They have caused ruin and misery to their fellow creatures by the most wicked and cunning devices. The cause of the odium against them lies in the character of Judaism itself which affords its votaries no point of centralization based on morality."

**Henry Ford**

*American Automobile Manufacturer and  
Writer, born July 30, 1863:*

"Corral fifty wealthiest Jews and there will be no more war."

---

**Matthew Woll**

*Vice-President of the American Federation of Labor, born January 25, 1880, in Luxemburg:*

"The Communists' propaganda carried on in this country is only an infinitesimal and insignificant part of this campaign against American institutions. The Soviets conduct a world-wide propaganda of villification and falsehood against the American government and everything American."

(Communism in all its shades is of Jewish origin.)

**Kasimir Edschmidt**

*German Author, born October 5, 1890:*

"A little while may pass until one acts; perhaps two years, perhaps even three years. But finally the protest will grow to such a dimension that its sound for justice would burst even a concrete dam."

more potent of evil than all the conspiracies that are commonly feared.”

(90 percent of all publications in the United States are Jew-controlled, on account of which fact the American Gentiles are constantly misinformed.)

**James W. Gerard**

*One-time U. S. Ambassador to Germany, on October 8, 1931:*

“As a friend of the Jewish race I want to state that if ever the American nation gets the idea that the Jewish race and Communism are synonymous there is the possibility of a pogrom in the United States that will make those of the Czars look like a small parade.”

What Fifty Famous Men Said about the Jews

¶ THE FOREGOING famous personages did not exactly “hate” Jews as individuals. As the preponderance of their testimony declares, they recognized in Judah’s social, religious and commercial ethics an influence that had to be always opposed to the prevailing culture in order to feel that life was being lived adequately. ¶ This insistence on being forever “different” has always wrought social friction wherever the Jew has elected to live.

¶ Today, in order to create a social world where this “difference” can forever exercise without such friction, we find the Jew secretly sponsoring and maintaining Communism—chiefly that the world’s Gentile governments may be emasculated or destroyed, and be unable longer to oppose Jewish practices. By such sponsorship, the Jew is able to say that anyone opposing Com-

munism, opposes Jewry in the form of Fascist-Nazism. And as Fascist-Nazism is different from constitutional or republican forms of government, the reasoning carries to that insane point where whoever opposes the Jew is thereby engaged in undermining the State.

¶ Here is the great issue of our times that enlightened people must face and solve. But remember that this modern antipathy to Jews is no new thing. It has found expression over a hundred generations—and will find further expressions until the Jew is cured of his unhallowed megalomania. . . .
