

## Letters to the Editor:

### *Spiking a Statement*

Dear Editor: PM 4/24

Your issue of Apr. 1 contained a letter over the signature of Helen McNary which included the following excerpt:

"Did you know that the American Jewish Committee and the Anti-Defamation League both ok'd the article in the *Saturday Evening Post* before it 'dared' print it?"

This statement is not true, and I desire to deny it emphatically on behalf of the Anti-Defamation League of B'nai B'rith.

LOUIS A. NOVINS,  
*Assistant National Director,*  
*Anti-Defamation League.*

In your Wednesday issue, there appears a letter over the signature of Helen McNary containing the following [*the same paragraph—Ed.*]

In behalf of the American Jewish Committee, I wish to state that this is not true.

New York  
SIDNEY WALLACH,  
*Associate Secretary,*  
*American Jewish Committee.*
