

The great pacifist-liberal-love-your-brother member of the Dies Committee, Jerry Voorhis of California, is the first to introduce a universal military and labor conscription act. It provides for forced labor or military service for every young man in the United States between the ages of 18 and 24, for one year. The number of this masterpiece of liberalism is H.R.162. ILD 1/18/41
