

Nazi Propagandist Coughlin Faithless to Church and Country

Hatred and Bigotry Spread Throughout the Nation by Priest.

By HENRY PAYNTER

Next only to George Sylvester Viereck, Hitler's Benedict Arnold No. 1, who for Hitler's hire distorts news to spread Nazi propaganda in the U. S. A., Father Coughlin, a priest of the Roman Catholic Church, has done more than any individual to spread Hitlerism in the United States.

No one but Hitler's Benedict Arnold No. 2, Coughlin himself, knows how profitable it has been.

Probably not even Coughlin knows how effective it has been.

Here is a summary of Benedict Arnold Coughlin's handiwork:

1. By spreading hatred and bigotry throughout America for more money than Judas got, he has been faithless to his Lord Jesus Christ, who preached love, charity and forgiveness.

2. By preaching the doctrines of Hitler, the enemy of Christianity, the degrader of mankind, he has been faithless to his Church, which teaches the dignity of man.

3. By spreading teachings of Hitlerism, anti-Semitism, anti-democracy, he has been faithless to the dignitaries of his Church.

4. By his same Hitlerite teachings he has been faithless to the edicts of the present and late Popes. He has welcomed the help of men who mocked his Pope and his Church.

5. By attempting to undermine democracy

Hitler's Benedict Arnold No. 2

The picture on the front page is of Father Coughlin. A Catholic priest, he has been faithless to the teachings of Christ, to the religion and dogma of his Church, and to the edicts of his Popes. A foreign-born American, he has spread Hitler's anti-democratic, anti-Semitic gospel. His faithlessness has been more profitable than Judas's.

Pius XI for the defense of American democracy:

"His Holiness calls us to the defense of our democratic government in a Constitution that safeguards the inalienable rights of man."

"This charge solemnly approved the hierarchy's traditional position of unwavering allegiance to our American institutions."

Quoting Spellman

Archbishop Spellman of New York said on the occasion of his investiture with the Sacred Pallium at St. Patrick's Cathedral, March 12, 1940.

"Not alone do I profess my Catholic faith before you. I profess and glory in my American citizenship and I pledge myself to maintain and defend my fundamental liberties, shining as they do like flaming jewels in our frame of government, priceless and precious. I am for all of our freedoms and our freedom."

"Therefore I am opposed to tyranny, even if it calls itself freedom. I am opposed to traitors to the United States even though they wave American flags and call themselves patriots."

"I am opposed to lawlessness and violence in speech and in action."

The Catholic Church originated and spread through the world the concepts of social reform and social justice, the rights of

Christian people will oppose these dangerous aberrations with all the might of Christian charity.

"For that very reason our people will be on their guard against all forms of racial bigotry, of which Pope Pius XI, speaking of a pertinent instance, said:

"It is not possible for Christians to take part in anti-Semitism."

Coughlin has been the most effective spreader of the Hitler gospel of anti-Semitism in the U. S. A.

By definition of Pope Pius XI Coughlin is not a Christian.

Coughlin in *Social Justice*, his organ of Hitlerite propaganda, welcomed the support of Edward James Smythe, leader of the Protestant War Veterans and the Protestant Chaplains Association. *Social Justice* printed a letter from Smythe attacking the Jews.

In another letter Smythe said:

"Relative to Father Coughlin we look upon him as a great American. The Roman Catholic Church is a tricky proposition, always has been, always will be."

Smythe on the Church

Smythe also wrote:

"We are strongly anti-Jewish and pro-nationalistic. We like Hitler, believe the Roman Church should be driven out of our

Defies Hierarchy's Opposition to Hitlerism and Anti-Semitism

Thus Coughlin has been faithless to his Church by consorting with vicious attackers of Catholicism.

Coughlin reprinted the notorious and imaginary "Protocols of the Learned Elders of Zion," first widely circulated in the United States by Henry Ford before he got his medal from Hitler for distinguished service to the Reich.

Social Justice reprinted many other Hitlerite anti-Semitic articles, saying the *Talmud* was the cause for Jewish persecution, that Jewish bankers were the cause of war, printed the headline "Writer Suggests 'Jew York' as New National Homeland."

Coughlin has more than once specifically followed the line of Hitler's propaganda policy in the U. S. A.

In radio broadcasts and in *Social Justice*, Coughlin betrays American democracy, urges a corporate state.

Some samples:

"Democracy! A mockery that mouths the word and obstructs every effort on the part of an honest people to establish a government for the welfare of the people."

"Democracy! A cloak under which hide the culprits who have built up an inorganic tumor of government which is sapping away the wealth of its citizens through confiscatory taxation."

Coughlin recommends a book by Father

"Any true national reaction is Fascism."

Coughlin wrote in *Social Justice*:
