DETROIT, April 16.—The Rev. Charles E. Coughlin's Radio League of the Little Flower, through Attorney Prewitt Semmes, today filed with the Michigan Unemployment Compensation Commission a request for withdrawal of an appeal made following a ruling the league was subject to payroll taxes.

The commission recently held that the league is not a charitable organization and, therefore, subject to taxes.

Mr. Semmes said the league would pay the taxes under protest and would submit its payroll records to the commission. The league, he said, would attempt to recover the taxes by Circuit Court suit.
