### Traveling Pastor Is Expert In Prophetic Knowledge

An internationally known lecturer, writer and radio artist, Dr. Joe Jeffers has given over 10,000 radio programs in nearly every city in America. He has lectured in forty-five foreign countries, recently to over 10,000 people in London and Ireland. He returned several months ago from a 40,000-mile

### Joe Jeffers, Preacher, Faces "Morals" Charges

Dr. Joe Jeffers, pastor and ordained minister of the gospel at the Kingdom Temple, 927 So. Flower St., is standing trial by jury in the city of Los Angeles. He has been arrested and accused of the most vile charges which could be brought against a man and wife. The District Attorney's office, under the leadership of Buron Fitts, "representing the people of Los Angeles," has accused the pastor and his wife of immoral conduct in their home.

world. On his tour he visited Moscow, Berlin, and Prague, Czechoslovakia. Dr. Jeffers interviewed some of the leading consuls and ambassadors of Europe. He saw and heard Hitler, Mussolini, Chamberlain and many other important leaders of the world.

Dr. Jeffers states that through the study of the sunspots and changes in the heavens and also from the study of the Great Pyramid of Gizeh, which is on the back of our new dollar bills and through the study of prophecies he has been able to tell the important political, financial and racial changes that have taken place in the world for the past ten years. He announced to the Associated Press on his return from Germany in 1930 that Adolf Hitler would come into power in Germany on January 31, 1933, at 6 p. m., which as you know, is the date Hitler came into power.

Dr. Jeffers has a copyrighted radio program in California entitled the "March Ahead of Time." The program is soon to go from coast to coast giving coming world changes weeks and months and years ahead.

The pastor states that the Jewish persecution in Germany will not get better but worse, and that there is undercover work that is now going on against the Jews in France. Before many months have passed, many people will be shocked to read that France has taken the same steps that Italy and Germany have taken.

"I'm asked the question: 'What are the Jews going to do?'" says the lecturer. They are going to make desperate pleas to Great Britain and America. This will cause the bringing together into a closer relation Great Britain and America. The coming of King George and his wife to America is not an accident or coincident,

over two years. A real league of nations will be formed by the Anglo-Saxon nations headed by Great Britain and America with the Scandinavian countries all uniting with these two great nations to keep world peace.

The Jews will then make a last plea to Russia who is controlled by Russian Jews. He believes that they will offer their capital to Russia to assist them in opening up the Holy Land. Russia has already received permission from every country in the east to march directly into the Holy Land. This will be a surprise to many people, but those who believe the Bible must admit that this is to be the final culmination of the present world conditions. The 38th Chapter of Ezekiel states that Moscow will lead a great army and come against the nation who is now in charge of the Holy Land, namely Great Britain and "the young lions thereof (Ezekiel 38)". "They shall ascend and come as a cloud and like a storm and thunder to cover the land of Israel." This and other scriptures in this chapter definitely show that Russia intends to carry out the bold statement made by one of her leading government men when he said, "Moscow will fly over the city of Jerusalem and show the whole world (Jews, Arabs and Christians) that there is no God and that Moscow rules the world." This will be the final armageddon spoken of in Revelation and many other scriptures. This will end forever the persecution of the Jews when God shall reveal Himself in a particular way to the Jews and to the world. Then and not until then will there be any peace on earth and good will toward men.

Each of us can help bring about this peace by personally following the teachings of the Prince of Peace as laid down in His teachings when he was here on earth. Then America shall really be the Kingdom of God on Earth and the prayer that millions of people have prayed for 1900 years, "Thy kingdom come, Thy will be done on EARTH" will be answered.

The Pastor of Kingdom Temple, 927 So. Flower St., Los Angeles, Calif.

## Rev. Jeffers' "Past"

Coming from one of the finest Christian Anglo-Saxon families in Alabama, Rev. Joe Jeffers began his ministry early in life as an evangelistic singer, choir director, and B. Y. P. U. worker. In 1914 he was elected President of the state B. Y. P. U. of Alabama. He has constantly been before the public ever since.

He attended the University of Alabama, Southwestern Baptist Seminary, and became pastor of one of the largest Baptist churches in the state of Texas in 1923. As pastor of the First Baptist church of Mexia, Texas, he led every one of the 26,000 Baptist churches in the number of conversions and additions. This growth was so phenomenal that the officials of the state of Texas gave him the highest position in the state, namely, State Evangelist.

Dr. Jeffers received so many calls from churches throughout the country that he resigned the state work and launched out as a national evangelist. During all these years he has traveled hundreds of thousands of miles by train, car, and plane (he became known as the flying evangelist) fighting crime and lawlessness in high and low places.

He has lived above reproach and has never had a complaint filed against him in any church or

(Continued on Page 2, Col. 3)

has accused the pastor and his wife of immoral conduct in their home.

Dr. Jeffers and his wife have gone through the most horrible and humiliating experiences these past few weeks. They have been subjected to outrageous treatment unbecoming to officials who are "representing the people." Mrs. Jeffers was not allowed to see an attorney and learn what her rights were. She was held for three weeks by officers who kept close guard over her. Dr. Jeffers was thrown in jail, dazed by the quick turn of events, and was left with nothing to eat for a lengthy time.

The couple's lives have been thoroughly investigated for any small clue which might cinch a conviction and put Dr. Jeffers in San Quentin. Government officials have sent out investigators all over the nation — trying to find something they can use against this man.

They have entered his home without a search or seizure warrant (Violation of Fed Const., Article 4, Amendments). They have taken many of his most valuable possessions and are holding them, trying to eke out more evidence to support their hideous charge. They have installed dictaphones in his home, hoping to hear something which could be used to convict him and his wife. It is believed they even had his church office wired for the same purpose. Spies were sent out to the Kingdom Temple to take notes on the pastor's sermons. Many of the members of the congregation were called in and questioned about Dr. Jeffers' life.

But the pastor and his wife have now become immune to the treatment they are receiving. At first they were astounded and puzzled at the great deal of interest taken in them by the D. A. office, but now they are much the wiser for they completely under-

give the real reason. The "news" you read was beautifully colored with the artistic brush of officials in the D. A. office.

The real reason for the arrest is not morals charges. The real reason is that Dr. Jeffers has dared to tell the truth about the inner workings of a questionable element in our government, local and national, which is sympathetic toward Communism.

The Dies investigating committee has recently finished examining and cross-examining George Van Horn Moseley, retired Army officer, concerning his anti-semitic leanings. After permitting him to say a few things about the menace of Communists and Jews in this country, and balking when the general wanted to read a prepared statement, the committee, at the suggestion of Senator Coffey, voted to strike off the whole testimony of Mr. Moseley because "it was irrelevant to the investigating of un-American Activities."

To this we say, "Is that so?" General Moseley knew what he was talking about! The menace to America is right within our own gates! You don't see it because these subversive forces are working in an underhanded, undercover manner. They are using the vast wealth of the movie industry to poison our minds with pictures like "Blockade," "Confessions of a Nazi Spy," "House of Rothschild," etc.—propaganda to force us closer to war with Germany.

We eat it up. We believe it, because the pictures coincide with the stories told in newspapers and magazines throughout the nation. Certainly we brag about "freedom of the press," but how can the press be free when it is owned by the same money interests as the Motion Picture industry. The press is warped with the same propaganda.

These are not mere idle words! These are facts which can be proven!

And slowly our government is being taken over—aliens are working their way into high offices. High officials are appointed day by day who have to use whatsoever

### OUR BELIEF

The Kingdom Message upholds that the Anglo-Saxon and kindred nations of today are the descendants of Israel and that the Jews are only a small part of one of the twelve tribes of Israel, namely, Judah; that the Anglo-Saxons are the continuation of the Israel nation; the inheritors of her Charters; the possessors of her guarantees and immunities from destruction; and the executors of her commissions.

Anglo-Israel teaching is not trying to act as a substitute for the church. It is endeavoring to give the gospel of the Kingdom, which includes the gospel of salvation, to all denominations who believe in the word of God—the new birth, the second coming of Christ and the fundamentals of the faith.

# ARE WE ANTI-SEMITIC?

Let's Have An Understanding of This Problem

It is not necessary to say to anyone who knows the first principles of our position that to be anti-semitic in thought or word would be a wholesale contradiction of those principles, and as such the destruction of our position.

We are saying that on the basis of our principles we include ourselves and all Anglo-Saxon and kindred peoples in the semitic line and that therefore, anti-semiticism would be enmity against our own line.

We believe and we can prove that we are descended from the Kingdom of Israel which Moses planned and had put into effect. This Kingdom was by no means Jewish for the simple reason that there were no Jews in existence at that time. However, people constituting this Kingdom were semitic because the Israel people were descended from Shem, one of the sons of Noah, hence Semitic or Semitic.

Eventually this Kingdom of Israel was broken because the Northern ten tribes revolted and became a separate kingdom. The Northern Kingdom became known as Israel and the Southern Kingdom became known as Judah. The Jews came from the latter kingdom: Judah. There were no Jews in the Northern Kingdom which was taken captive into Assyria from which they never returned. This captive Northern Kingdom is today commonly known as the "lost ten tribes." None of our preachers seem to be bothered as to what happened to this Northern Kingdom numbering well into the millions. Certain it is that they never returned. We have absolute

state. He has never been arrested—not even on a parking tag. He has always fought the liquor and nicotine rackets. He has never smoked, nor has he ever had a pint of whiskey in his life. He is a perfect Christian gentleman, a loving father of two of the finest and talented children to be found anywhere. Both of these children have been presented publicly over 2000 times in church, on the radio, stage and in pictures.

Dr. Jeffers loves children and has led thousands of them to Christ and baptized them. He has probably preached to more people than any man his age in America. He has given a total of over 11,000 15-minute radio programs. He has been editor of papers in four states—putting out millions of copies of his evangelistic sermons.

Probably the greatest scholar and pastor in L. A. said recently, "Dr. Joe Jeffers is the best informed man on the Bible Kingdom Message in America." He makes the Bible live. His work has just begun, however. Soon he will be giving this message from coast to coast on a national hookup. These recent persecutions have proved that God is going to use him in

## PUZZLE: FIND "MORALS" IN THESE QUESTIONS

Mrs. Jeffers was examined by the District Attorney while she was in custody as to her being guilty with her husband of a violation of the "Morals Law." She was not permitted to consult an attorney and, whenever she refused to answer, the District Attorney insisted that she

ever for our American government except to use it to further their own ambitions. Soon the time will be ripe. These foreigners will take a strangle hold on the neck of our nation. The banks will be hog-tied. Business will completely collapse. People will be hit by panic. Revolution will result.

But can this happen in a free country like America? It has happened wherever these subversive forces have been present. It can and will happen here soon!

Not many months after this trial is off the headlines of the newspapers, these crises will have happened . . . by the end of 1941 at the latest.

Dr. and Mrs. Jeffers are not concerned about themselves in the trial. They are concerned about you and that you should know these things. Early in the preliminary hearing Dr. Jeffers was asked by Asst. Dist. Attorney Myers what he had planned to do

answer and threatened her if she didn't. During the examination in the morals case, she was asked the following questions, among others:

Q. Your husband's lecture has been constantly striking at the Jewish and Catholic faiths?

Q. In fact, he devotes a great deal of his sermons to deriding and belittling and criticizing not only those two faiths, but the people of those two faiths, isn't that true?

Q. I don't care to have names mentioned, but he has done that, hasn't he?

Q. Rather hard names?

Q. He has urged his congregation, without mentioning names, from time to time, to rouse themselves and rise up against those two faiths, hasn't he?

Q. Even Protestant denominations?

Q. Did your husband smuggle certain articles across the line? Tell what you know about that.

Q. Did you bring anything across the port of entry?

Q. Did he fail to declare any articles?

Q. Do you know anything about him having been engaged in smuggling?

## Lineage Traced Back To Kings of Israel

Due to the recent visit of the King and Queen of England, it is fitting to remark that their majesties are conscious of the greatness of the kingdom over which they rule and reign and of its relationship to Biblical prophecy.

Many people in Los Angeles read the King's speech in the newspapers but few realized the significance of particular statements that he made. The L. A. Times printed the speech in part:

You, in Canada, have already fulfilled part of the Biblical promise and obtained dominion from sea to sea. You are now engaged in fulfilling the latter part of that promise in consolidating government from the river to the ends of the earth, from the St. Lawrence to the Arctic snows. This promise was given to Israel, the nation as distinct from the Jews.

King George VI can trace his ancestry right back to the first King of Israel: David. And, as can be shown in the Bible, he is sitting upon the same throne to which Christ will return soon. The throne of David is not in heaven—it is right here on this earth and soon the Kingdom will be established by the battle of Armageddon and Christ will rule from that Throne of David. He is going to return in person and sit on that throne.

We can show that the coronation of the kings of England coincides with that of the early kings of Israel, that the same vows are taken, the same hymns are sung and the same ceremonies performed.

today commonly known as the "lost ten tribes." None of our preachers seem to be bothered as to what happened to this Northern Kingdom numbering well into the millions. Certain it is that they never returned. We have absolute proof that these "ten lost tribes" migrated across Europe to the Isles which are North and West of Palestine, now known as Great Britain. This is the nation which God promised to Abraham back in Genesis. The American nation is the offspring of Great Britain as we all know.

We are of Israel and Judah (Jews) are from Israel and though we of Israel are not in any sense Jews (because we are not of Judah) and have no desire to be Jews or to become known as Jews, yet we know that the future of the Jews is bound up with Israel, and that the solution of the so-called "Jewish Question" or any other question is not to be found in our becoming pro-Jewish, but in the Jew becoming pro-Israel.

In this country free discussion of the racial and religious questions is not possible because of the pressure of prejudiced minorities. The very mention of any racial or religious term seems to bristle with enmity. As a result many matters smoulder underground and burst with a violence wholly unnecessary were they previously discussed with frankness and intelligence. Attempts have been made through so-called "good will conferences" to bring about a better state of affairs, but these have always failed because of senseless remarks.

Sensible men are now beginning to speak out what many of us have all along thought about these efforts to make convivial back-slapping serve as basic understanding. The uninstructed Protestant who has no convictions of his own and represents Protestantism at a conference where good will is expressed toward Catholics is a total loss as far as the good end sought is concerned. And so the Christian who thinks he is a "gentile" is a total loss at a Jewish conference so far as bringing to the Jew a good will based on understanding.

The big Question is not the

message in America. He makes the Bible live. His work has just begun, however. Soon he will be giving this message from coast to coast on a national hookup. These recent persecutions have proved that God is going to use him in an International way.

**Jewish Question.** Our main concern is the Israel Question. On a scriptural basis—find Israel, and history is interpreted and the future is clear. Settle the Israel Question and a whole train of questions find settlement. But to settle it by saying that Judah is Israel, as the ecclesiastics have done, is simply to create two confusions where only one existed before.

In untying the main knot—Where and Who Is Israel?—we answer the entire Jewish Question also. And do it with benefit to all and with an increase of light and understanding.

There was more than mere sentiment, there was vast wisdom, in Jesus' counsel that to hold our fellowmen on the side of our good will is better for us and for them; and that to hold them on the side of our ill will is always worse for us than it is for them.

Nothing in this world today is capable of playing so large a part toward good will and understanding as this very truth concerning Israel—Great Britain and America—through whom blessing has come, and more is coming, to mankind.

concerned about themselves in the trial. They are concerned about you and that you should know these things. Early in the preliminary hearing Dr. Jeffers was asked by Asst. Dist. Attorney Myers what he had planned to do about the charges. The pastor replied he was leaving the whole thing in the hands of God. The Dist. Attorney said, "To Hell with God, He's not in this!"

Friends, even if you don't believe in Dr. Jeffers or his wife's character, even if you don't believe in their religious teachings, at least do some checking up for yourself so that you may be prepared. Learn the condition of your government as Kingdom Temple and many other organizations have learned during these past few weeks. Numbers of organizations have listened to the real reason for the bringing Dr. Jeffers to trial and they have pledged their support 100%.

Dr. Joe Jeffers is not standing trial before the people of Los Angeles. Christianity is standing trial before an atheistic government which, contrary to the Bible, believes an accused is guilty until he is proven innocent.

If we are to protect the sanctity of our homes and freedom of speech and religion as specified by the Constitution of the U. S., let's get behind Dr. Jeffers and see him through this trumped up case to put him behind the bars. If this trial is lost, the "representatives of the people" will become bolder and bolder in their effort to attack people who dare to tell the truth about the corruption in our government caused by these ambitious money-crazed interests.

## The Key to the Bible

What is the Key to the Bible? Answer—The Key to the Bible which makes it understandable and a most interesting and new book is the Distinction between Judah and Israel. The prophecies to Israel are separate from those to Judah or the Jews—As the following Prophecy found in Isaiah 65:12-15. "Therefore I will number you (jews) to the sword, because when I called ye did not answer, when I spoke ye did not

hear, and did evil before mine eye. Therefore thus said the Lord God, behold my servant (Israel) shall eat, but ye shall be hungry. Behold my servant shall drink, but ye shall be ashamed. Behold my servant shall sing for joy of heart, but ye shall cry for sorrow of heart, and shall howl for vexation of spirit. And ye (Jews) shall leave your name for a curse unto my chosen (Israel) for the Lord God shall stay thee, and call his servant by another name." We have it today, Saxons or Isaac

The questions cited above were asked Mrs. Jeffers by District Attorney Fitts, and if you can see any connection between a morals charge and these questions, you are smarter than I am. Practically every question relates to the Jewish question and not to morals. This should convince you as to the real issue.

and means of "restoring Israel to Israel's land." For Great Britain and the U. S. are Israel, and since 1917, Israel has been in possession.

**THE ZIONIST CLAIM**—Great Britain's sympathy for the Zionist is natural but mistaken. For the Jews—as a remnant of Judah only—cannot rightfully advance any exclusive claim to the possession of the Promised Land in priority to the British and U. S., who represent "all the house of Israel wholly." There is a distinct difference between being given the right to make your home in the land and in making the whole land your home.

The Permanent Mandates commission admits that the original conception of Zionism was a spiritual problem and not a refugee problem.

**THE ARABS**—The Arabs have been in the land for two thousand years and their rights and interest must be protected. As the descendants of Ishmael the Arab has the undoubted right to "dwell in the presence of his brethren." Treaties and promises should be fulfilled or otherwise revised by mutual agreement, and in justice to all parties concerned.

**THE JEWS**—Jewish immigration may be continued under proper supervision and control, but Palestine cannot be made a dumping ground for countless immigrants merely as a means of solving the Jewish problem.

**THE HOLY LAND AND KINGDOM OF GOD**—Once it is officially recognized that the British and U. S. are Israel people, as distinct from the Jews, these difficulties are not insurmountable. Both Arab and Jewish aspirations can be harmonized in the light of this re-orientation. Great Britain, by covenant and conquest, rightfully holds the Holy Land as a sacred trust for civilization. For the Promised Land has always been regarded as symbolic of the coming Kingdom of God destined to embrace all the nations into one universal kingdom.

# DOES THE HOLY LAND BELONG TO THE JEW?

GREAT BRITAIN AND THE UNITED STATES ARE THE ISRAEL NATIONS AND THE SOVEREIGNTY OF ISRAEL SHOULD BE ONE AND UNDIVIDED. THE BRITISH THRONE IS THE MODERN CONTINUATION OF THE THRONE OF DAVID.

These appear to be challenging statements but they represent matters of supreme importance to the British and American Public. For so long as these nations fail to realize that they are the Israel people—as distinct from the Jews—no plan for the peace of Palestine can have any prospect of permanent solution. The future of Palestine concerns the destiny of the British and American race as a whole.

THE CONQUEST OF PALESTINE in A. D. 1917-18—it was a British—not a Jewish—army which conquered Palestine in 1917. Prophecy clearly indicated that Jerusalem would cease "to be trodden down of the Gentiles" as a result of this deliverance and therefore it is obvious that the nation which effected this deliverance could not have been Gentile. If the British people are not Gentile they must be Israel. This is evident from the very logic of the situation apart from the many other vital facts establishing identity.

Thus the problem of Palestine is not a question of finding ways and means of "restoring Israel to Israel's land." For Great Britain and the U. S. are Israel, and since 1917, Israel has been in possession.

THE ZIONIST CLAIM—Great Britain's sympathy for the Zionist is natural but mistaken. For the

## BENJAMIN FRANKLIN HAD THIS TO SAY About the Jew

The question of the Jewish problem and its effect upon the American Government is by no means a new one. The following is an excerpt from the Journal of Charles Pickney of South Carolina of the Proceedings of the Constitutional Convention of 1789, regarding the statement of Benjamin Franklin at the Convention, concerning Jewish Immigration.

"There is a great danger for the United States of America, this great danger is the Jew. Gentlemen, in every land which the Jews have settled, they have depressed the moral level and lowered the degree of commercial honesty. They have remained apart and unassimilated—they have created a state within a state, and when they are oppressed they attempt to strangle the nation financially as in the case of Portugal and Spain. For more than 1700 years, they have lamented their sorrowful fate—namely, that they were driven out

## OLD GLORY

## OUR FLAG AND GREAT SEAL

We have just celebrated flag week during these last few days and perhaps it is appropriate to show how the U. S. flag and the Great Seal of the United States bear out the claim that America and Great Britain are Israel.

The first flag of the U. S. A. was the "Grand Union" and carried the Union Jack in the upper corner, as does that of Canada, Australia and New Zealand today. It had thirteen stripes of alternate red and white for the thirteen British colonies.

This flag was raised by Washington at Cambridge, Mass., in 1776 to a salute of thirteen guns. On June 4th, 1777, a new flag was used, consisting of thirteen stripes of red and white and thirteen stars on an azure ground instead of the Union Jack.

Today, with the thirteen stripes there are forty-eight stars. We believe that the United States of America are Manasseh, the thirteenth tribe of Israel. This is explained in Gen. 48-1, 13-20. Joseph, one of the twelve sons of Israel-Jacob let his two sons, Ephraim and Manasseh have his blessing, thereby making thirteen tribes.

The number thirteen is strange-

## QUESTIONS

If we are Israel why do we not speak the Hebrew language?

Answer—My friend, if language is a test of race, then the Jews in Christ's time must have been Greeks, for they spoke the Greek language. After the 70 year Captivity in Babylon when Ezra read to the Jews the laws from the Hebrew writings, he had to employ interpreters to translate into the Chaldee so they could understand, but we are told in Isaiah 28:11 that the Ten Tribe house of Israel would lose their language and speak in another tongue.

Suppose this Israel Teaching as you people call it is true, what good is it, why get folks unsettled?

Answer—How dare teachers of the Bible and those who call themselves Christians raise this cry in regard to that which occupies so large a place in the Scriptures. This great Truth creates a greater interest in the Bible than any teaching since Christ's time and proves the Truth and inspiration of the Word. The Whole Word not just special passages from it as is the System of Bible Study employed by many today. This Truth is the key that unlocks the mysteries and riddles that has baffled so many of our Teachers and Preachers and it helps to solve the vexatious problems of the nations.

Paul in Romans cries out "What advantage then have the Jew" and answers his question thus, "Much every way; chiefly because that unto them were committed the oracles of God." And to Modern Israel is committed Custodianship of the Kingdom of God. It is a great responsibility to feel that our race must propagate the Gospel to the ends of the earth. It is not only our exalted privilege but our solemn duty to accept and have Faith in Christ as our Savior and join hands for the overthrow of Unrighteousness and then prepare the way for His Return Whose right it is to reign.

## Great Britain, U. S. Possess The Gates?

"They (Abraham's) seed shall possess the gate of his enemies" (Gen. xxii, 17).

What do the words "the gate" mean? In Micah i, 9 we find: "He is come unto the gate of my people, even to Jerusalem." Obviously, the "gate" refers to cities, and the chief cities dominate the whole country, so that possession of the gates means sooner or later possession of the country. History proves this to be so.

In the case of Canada it was the taking of Quebec, the gate, by General Wolfe in 1759, that led to possession of the whole land. Again, in India, it was the and Bombay, the gates, that enabled the whole country to be penetrated and held.

Even in China today the possession of Hong-Kong, Shanghai and Wei-hai-wei must lead to the same result, and we already know the value of our forces at Shanghai during the last trouble.

If Britain possesses key positions generally around the world, she must be Israel, the seed of Abraham.

Heligoland, the gate of our late enemies, Britain possessed at one time, but bartered for parts of Africa. Even Calais was British for many years and was indeed then the Gate to France; even now Britain holds the Channel Isles.

By possession of Gibraltar, at the western end, and Malta in the centre, Cyprus and the Suez canal at the eastern end of the Mediterranean...

rael's land." For Great Britain and the U. S. are Israel, and since 1917, Israel has been in possession.

**THE ZIONIST CLAIM**—Great Britain's sympathy for the Zionist is natural but mistaken. For the Jews—as a remnant of Judah only—cannot rightfully advance any exclusive claim to the possession of the Promised Land in priority to the British and U. S., who represent "all the house of Israel holly." There is a distinct difference between being given the right to make your home in the land and in making the whole land your home.

The Permanent Mandates Commission admits that the original conception of Zionism was a spiritual problem and not a refugee problem.

**THE ARABS**—The Arabs have been in the land for two thousand years and their rights and interests must be protected. As the descendants of Ishmael the Arab has the undoubted right to "dwell in the presence of his brethren." Treaties and promises should be fulfilled or otherwise revised by mutual agreement, and in justice to all parties concerned.

**THE JEWS**—Jewish immigration may be continued under proper supervision and control, but Palestine cannot be made a dumping ground for countless immigrants merely as a means of solving the Jewish problem.

**THE HOLY LAND AND KINGDOM OF GOD**—Once it is officially recognized that the British and U. S. are Israel people, as distinct from the Jews, these difficulties are not insurmountable. Both Arab and Jewish aspirations can be harmonized in the light of this re-orientation. Great Britain, by covenant and conquest, rightfully holds the Holy Land as sacred trust for civilization. For the Promised Land has always been regarded as symbolic of the coming Kingdom of God destined to embrace all the nations into the universal kingdom.

apart and unassimilated—they have created a state within a state, and when they are oppressed they attempt to strangle the nation financially, as in the case of Portugal and Spain. For more than 1700 years, they have lamented their sorrowful fate—namely, that they were driven out of their motherland, but gentlemen, if the civilized world today should give them back Palestine and their property they would immediately find pressing reasons for not returning there. Why? Because they are vampires, and vampires cannot live on other vampires—they cannot live among themselves; they must live among Christians and others who do not belong to their race.

"If they are not excluded from the United States, by the Constitution, within less than 100 years, they will stream into this country in such numbers they will rule and destroy us and change our form of Government for which we Americans shed our blood and sacrificed life, property and personal freedom. If the Jews are not excluded within 200 years, our children will be working in the fields to feed the Jews while they remain in the Counting House gleefully rubbing their hands.

"I warn you, gentlemen, if you do not exclude the Jews forever, your children and your children's children will curse you in your graves. Their ideas are not those of Americans even when they have lived among us for ten generations. The leopard cannot change its spots. The Jews are a danger to this land and if they are allowed to enter they will imperil our institutions—they should be excluded by the Constitution."

America are Manasseh—their thirteenth tribe of Israel. This is explained in Gen. 48-1, 13-20. Joseph, one of the twelve sons of Israel-Jacob, let his two sons, Ephraim and Manasseh have his blessing, thereby making thirteen tribes.

The number thirteen is strangely interwoven in U. S. History. Take, for example, your one dollar bill which bears the great seal of the United States: On the obverse is a flying eagle with wings outstretched, the very attitude of the eagle as it was on one of the Israel standards.

In its beak the Eagle bears the motto "E Pluribus Unum" (13 letters). Above the motto is a "Glory," the parting of the clouds by light. Manasseh had as their banner the motto, "The Colud of Jehovah rest on them, even when they go forth out of the Camp." In the opening are the original thirteen stars.

In the left talon of the Eagle are 13 arrows. In the right talon 13 branches of olive, the good olive of Israel (Rom. xi).

On the reverse side we find an unfinished pyramid with 13 steps and over all a triangle, denoting the top stone, surrounded by a glory, in the center of which is the all seeing eye of Jehovah. Above is the motto "Annuit coepit" (13 letters). "He prospers our beginning." Compare Gen. 39—23: The Lord prospered Joseph.

Now why was the pyramid given such a prominent position in the seal of the U. S. -A.? It can only be because she is that "great people" that Manasseh was to become. The Past, Present and Future of Great Britain and the U. S. A. are wrapped up in the Great Pyramid. David Davidson, world renowned engineer, mathematician, geologist, etc., has written exhaustive research, published in his book entitled "The Great Pyramid." In it he gives an extensive description of prophecy concerning Great Britain and America. These two nations form the promise to Abraham that he would be the father of "a nation and a company of nations" as promised to him in Gen. 35-11.

When the "great people" of the U. S. A. awake—as they are rapidly doing—to their destiny, and

our race must propagate the Gospel to the ends of the earth. It is not only our exalted privilege but our solemn duty to accept and have Faith in Christ as our Savior and join hands for the overthrow of Unrighteousness and then prepare the way for His Return Whose right it is to reign.

## Jews Seek To Bar Coughlin From Using Mail

Rochester, N. Y.—The "Jewish People's Committee of Rochester" has appealed to the United States Postmaster Gen. James A. Farley to "bar from the mails all letters and literature of the Rev. Charles Coughlin, Detroit radio priest."

According to the Rochester Evening News (May 11), "they charge Rev. Coughlin with inciting race riots."

The Rochester newspaper adds that a "Stop Coughlin" meeting was organized for June 14th.

join up with "the nation and company of nations" which came into being at the Imperial Conference of 1926, in accordance with Jehovah's plan and will for Israel, then indeed will the leadership of the world be in the hands of the House of Joseph, Ephraim and Manasseh, Great Britain and the U. S. A.

Africa. Even Calais was British for many years and was indeed then the Gate to France; even now Britain holds the Channel Isles.

By possession of Gibraltar, at the western end, and Malta in the centre, Cyprus and the Suez canal at the eastern end of the Mediterranean, Britain is able to dominate that sea. She does not yet hold the Gate, Constantinople, but that is near at hand. Perim and Aden secure the Red Sea. Bombay, Madras and Calcutta, the Gate of India, have been mentioned. Colombo in Ceylon, Singapore, Malacca and Penang continue the chain of gates to China. Sydney, Melbourne, Adelaide, Brisbane, Perth and Port Darwin are the gates of Australia. Wellington, Auckland, Christchurch and Dunedin of New Zealand, Cape Town of South Africa, Durban of Natal, Mombasa and Zanzibar of East Africa, Sierra Leone and Calabar of West Africa.

The Falkland Islands are "the gates" of the extreme South of South America, and when the German Admiral Von Spee defeated Admiral Craddock, he tried to seize these, but was defeated by Admiral Sturdee.

Jamaica, the Bahamas and British Guiana are two Gates to South America and Central America.

The United States possess many gates on the East and West Coast of America; and Canada, Vancouver on the West.

Finally the Sea is the most important gate of all our enemies, and since Israel's 2,520 years of punishment, Britain has had command of the sea; this command based on the various coaling stations in gates, circling the whole world, said to be worth an army of many million men, will cause her to continue to enter into her birthright, for Abraham's seed is heir to the world. Well may we feel that—

"When Britain first at Heaven's command

Arose from out the azure main, This was the charter, the charter of the land,

And guardian angels sang this strain,

Rule, Britannia! Britannia rule the waves."

## THE JEWS ARE NOT ALL ISRAEL

The House of Israel, which we are considering, is not the same as the House of Judah, of which the Jews were a small remnant only.

The distinction we wish to emphasize is that, while some Jews are Israelites; all Israelites are not necessarily Jews. The House of Judah and the Jews are of Israel, that is, descended from Jacob. When the general blessings were at Jacob's death apportioned, the "One seed" Christ, the Messiah, was promised with the sovereignty to Judah; but the "multitude of nations," most of the spiritual gifts and all the temporal grandeur of the "birthright" were given to the House of Joseph or Ephraim exclusively. The House of Israel was to obtain these in the "later days" or the Christian era—our days and when developed into a "company of Nations," cf. Imperial Conference of 1926.

The division of Israel took place under the rule of Rehoboam over Judah, Jeroboam over Israel, in 975 B. C. The House of Israel sinned through idolatry and were cast out of the land in 721 B. C. and did not return. The House of Judah also sinned and were punished and banished to Babylon for seventy years, and a remnant of them under Ezra and Nehemiah returned as "the Jews" in 536 B. C. The term "Jews" is never in the Bible applied to the Twelve Tribes or to the Ten-tribed House of Israel. They were to be divorced from the Mosaic law and lost to human history and knowledge, but known to God, re-covenanting in Christ, and to enjoy the Hebrew birthright in the isles of the sea, to be His national evangelists to the world, and the inheritors of the Kingdom of God taken away from the Jews and

## The Identification Of Israel or the "10 Lost Tribes"

Remembering the words of Dr. Neubauer that if, as we Christians say, the Messiah has come, Israel should be manifest, and it is our business to find the people representing her today, let us go through some of the many identifying marks and see if we can find her.

In the past, many have tried to find her among the small nations such as the Esquimaux, the South Sea Islanders or Bushmen, but they forget that—

(1)—She is to be the Greatest of the Nations. In 1914 there were five Empires in the world, today there is but one; the Empires of Russia, Germany, Austria and Turkey have passed (Jer. xxxi, 7; Amos vi, 1).

(2) According to Jeremiah, they must be an Island Nation (Jer. xxxi, 10), and these Isles must be to the West and North of Palestine (Jer. lli, 12; xxiii, 8; Isa. xiv, 15; Isa. ix, 19). The map of Europe will show if there are such Isles.

(3) They must be as the sand for multitude (Hos. i, 10). History shows that a small Island Power with but 5 million inhabitants in 1604 has grown till it rules over more than one-third of the world and of the human race.

(4) Having as Isa. liv, 2 foretells found their islands too small for them.

(5) They must not only be under a Monarchy, but must have a descendant of King David reigning over them (1 Chron. xxii, 10; 2 Chron. xlii, 5; Jer. xxxiii, 20).

the righteous Nation that

This point is dealt with elsewhere.

(6) They must be a company of Nations (Gen. xxxv, 11). It is an historical fact that, at an Imperial Conference held in 1926 in the Isles to North-West of Palestine, such a constitution, a Commonwealth of Nations, was declared to the world.

(7) They must have a daughter nation springing from them, but entirely independent of them (Gen. held xlvi, 19; Isa. xlix, 20). History only affords one such instance.

(8) They must have immense colonies (Isa. liv, 3) which are in all zones and form a belt or girdle round the earth (Deut. xxxii, 7-9; Jer. x, 16; Acts xvii, 26). Once more, on consulting the maps of the World today, we can find one Nation and one only fulfilling these forecasts.

(9) They must be an undefeated nation (Isa. liv, 17; Mic. v, 8), conquering by a small army (Lev. xxvi, 8). They cannot then be the French, Spanish, Germans, Russians, Austrians, Belgians, Dutch, Danish, for Modern History tells us these, in spite of their conscript armies, have all been defeated by some Nation with only a small volunteer army.

(10) They must be the most wealthy Nation (Deut. viii, 18); we know of but one Nation in the old world whose standard of living and wealth can be compared with the new world peoples, and the wages of whose workers are usually from 50 per cent to 100 per cent higher than those in Continental Europe.

(11) They must have lent to other nations but not borrowed from them (Deut. xv, 6). This same Island Empire has foreign investments of several thousand million pounds enabling her to import all the best that the Earth can supply. It is on record that

(18) They must possess the stone of Israel (Gen. xlix, 24). There again their title-deed is so important it is dealt with elsewhere.

(19) They must preserve the Sabbath nationally (Exod. xxxi, 13). To any who visited the Paris World Exhibition in 1900 it was most noticeable that a certain Island Power and her daughter nation both closed their exhibits every Sunday while the rest or the Exhibition was open. Even at Wembley in 1923 there were demands that the Exhibition should be open on Sunday, but it would have been necessary to pass a Special Law.

(20) They were to be kind to strangers (Lev. xix, 33-34). It is strange that one of the Greatest Kings of these Island people, King Alfred I, decreed in one of his laws, "Be ye kind to the stranger within thy gates, for ye yourselves were once strangers in Egypt."

(21) They were to be separated people (Deut. xxvi, 18-19). It is not so long ago that "Splendid Isolation" was the political axiom of the Great Prime Ministers of this peculiar Island race.

(22) They were to retain the Israel system of weights and measures (Lev. xix, 36-37). There is but one race that has not adopted the metrical system and which today still uses the inch measure to which the Great Pyramid was built.

(23) She was to be God's battle axe and weapons of war and by her the Nations were to be broken (Jer. li, 20). What power was it that Modern History states was chiefly responsible for the overthrow of the Germans in 1914-18, of France in the Napoleonic Wars ending at Waterloo in 1815, and of Spain in the defeat of the Spanish Armada in 1588? This point is also dealt with elsewhere.

is it who went to Egypt in 1881, deserted by the French, and now rules Palestine and Mesopotamia by Mandate of the League of Nations?

(25) She must also have freed Jerusalem when the times of the Gentiles were fulfilled. Nebuchadnezzar first besieged Jerusalem in 603 B. C. and 2,520 years later in A. D. 1917, Jerusalem was set free by Israel.

(26) She must have destroyed the Turkish Empire, for Ephraim was to go through Edom (Turkey) as fire through stubble. The same Power which freed Jerusalem in 1917, has, of course, absorbed most of the Turkish possessions.

(27) Israel always marched in a hollow square round the Ark. Does history record any modern Nation whose army always fought and camped in a square when practicable?

(28) Lastly they were to become known under Abraham's name. This seems difficult at first, but remember Abraham was the covenant man or the British man. Is it not true that a Prime Minister of this Island race has recently publicly lamented the almost universal use of this Name?

Now of course you will say, yes, there is such a Nation, but of course all these historical facts are coincidences. Of course they are—that is just the marvelous thing! We have not mentioned all the identification marks of Israel that have been found. There are some sixty-four or more. Now in the League of Nations there are over sixty Nations and several still outside. The chances are therefore over 60 to 1 against any one Nation possessing one of these Israel marks exclusively, and that she should possess all 64, the chances are 60 — 64.

Without going into the higher mathematics, this chance is approximately 16 with 112 noughts after it to one against and not

of Israel. They were to be divorced from the Mosaic law and lost to human history and knowledge, but known to God, re-covenanted in Christ, and to enjoy the Hebrew birthright in the isles of the seas, to be His national evangelists to the world, and the inheritors of the Kingdom of God taken away from the Jews and given to a Nation. It will be shown that the British enjoy all the unconditional promises given to the seed of Abraham in the Christian era and that therefore no other Nation can now replace them as Israel.

It was in 741 B. C. that Isaiah prophesied that "within three score and five years shall Ephraim be broken in pieces, that it be not a people." The final siege of Samaria and the deportation of Israel took place in 721 B. C. Subsequently in 676 B. C. Esarhaddon completed the work begun and from this date the history of the house of Israel ceases in the Scriptures, and the tale is taken up by Prophecy.

Judah was carried captive to Babylon by Nebuchadnezzar in 603 B. C. and the Temple finally destroyed in 586 B. C. The word "Jew" is found for the first time in the Bible in 2 Kings xvi, 6, but the Second Book of Kings was not written till the return of Judah and Benjamin after the end of the Babylonian captivity.

#### Contrast Between Israel and Jews

ISRAEL were to have a change of name (Isa. lvi, 5).

The Jews were to be known by a change in physiognomy (Isa. lii, 9).

ISRAEL were to be called by a new name (Isa. lxii, 2).

The Jews have retained their old name unchanged.

ISRAEL were to be named after Isaac, i.e. called Saxon (Gen. xxi, 12).

The Jews' name was to be a curse to them (Isa. lvi, 15).

ISRAEL were to be blind to their identity (Rom. xi, 25).

The Jews still claim to be the chosen people.

ISRAEL were to be a multitudinous people (Hos. i, 10).

The Jews were to be bereft of children (Jer. xv, 7).

ISRAEL were to become known as

(2) Having as Isaiah, 2:10-11, tells found their islands too small for them.

(5) They must not only be under a Monarchy, but must have a descendant of King David reigning over them (1 Chron. xxii, 10; 2 Chron. xiii, 5; Jer. xxxiii, 26).

the righteous Nation that keepeth the truth (Isa. xxvi, 2).

The Jews were to be a byword and reproach (Jer. xxiv, 9).

ISRAEL were to become a Nation and a Company of Nations (Gen. xxxv, 11).

The Jews were to be scattered in all the "kingdoms of the earth for their hurt" (Jer. xxiv, 9).

ISRAEL were to make a new home in the Appointed Place—the Isles of the Sea (2 Sam. vii, 10; Isa. xxiv, 15; Isa. xlix, 1; Jer. xxxi, 10 etc.).

The Jews have been strangers in all lands (Jer. xv, 4).

ISRAEL were to be a Nation for ever (Jer. xxxi, 36).

The Jewish nation was broken beyond repair in A. D. 70 (Dan. ix, 24; Jer. xix, 11).

ISRAEL were to have a perpetual monarchy (Jer. xxxiii, 17).

The Jews have no king on earth.

ISRAEL were to come under a new covenant (Jer. xxxi, 33).

The Jews have remained under the old law.

ISRAEL were to be called the sons of God, i.e. accept Christianity (Hos. i, 10).

The Jews do not nationally accept Jesus Christ as the Messiah.

ISRAEL were taken captive into Assyria, circa 721 B. C. (2 Kings xviii, 11, etc.).

The Jews taken captive to Babylon circa 603 B. C. (2 Kings xxiv, 1-14, etc., and xxv, 20, etc.).

ISRAEL were to be immune from defeat in war (Isa. liv, 17).

The Jews have suffered endless persecution.

ISRAEL had nothing to do with the crucifixion, being at that time away beyond the Euphrates, beginning their migrations through Europe. The Jews cried, "Crucify him, crucify him."

those in Continental Europe.

(11) They must have lent to other nations but not borrowed from them (Deut. xv, 6). This same Island Empire has foreign investments of several thousand million pounds enabling her to import all the best that the Earth can supply. It is on record that in the Great War of 1914-18 she had to back her Allies' bills in the U. S. A. and is paying back her debt to Manasseh.

(12) They must have abolished the slave trade (Isa. i, 1) and been a Great Missionary people. Study the history of the slave trade, and the same Island Power who has done 95 per cent of the Missionary work of the World will be found to be the chief agent in freeing the slaves.

(13) Their National heraldry must be the Lion and the Unicorn (Num. xxiv, 8, 9). This is dealt with elsewhere.

(14) They were, unlike Judah, to be known upon the Earth by another name (Isa. lxv, 15). They are not yet known by the world as Israel; though that day must be near. Speaking another language (Isa. xxvii, 11, one that has been found more like the Hebrew than any other.

(15) They were to possess the finest fruit and cattle of the earth (Deut. xxviii, 4). Ask any farmer, especially of live stock, why it is so important to keep the herds of cattle in these Isles North-West of Palestine free from foot-and-mouth disease. It is because the farmers of the world for many years have recruited their beasts from these Isles.

(16) They were to possess the Earth's "desolate heritages" (Isa. xlii, 8-10). What race is it that has developed North America, U. S. A. and Canada, Australia, the Egyptian desert, and now the Mesopotamian desert? Who has irrigated India and the desert places the world over?

(17) They must have sea power (Isa. ix, 5-11) and they must possess the Gates of their Enemies (Gen. xxii, 17). This point is again dealt with elsewhere. Here let it suffice to ask who possesses Gibraltar, Malta, Suez, Aden, Singapore, Hong-Hong, Cape of Good Hope, Falkland Islands, etc.

was it that Modern History states was chiefly responsible for the overthrow of the Germans in 1914-18, of France in the Napoleonic Wars ending at Waterloo in 1815, and of Spain in the defeat of the Spanish Armada in 1588? This point is also dealt with elsewhere.

(24) She must be in possession of the land promised to Abraham and his seed for ever. The land from the River Nile to the Great River, the River Euphrates. Who

therefore over 60 to 1 against any one Nation possessing one of these Israel marks exclusively, and that she should possess all 64, the chances are 60 — 64.

Without going into the higher mathematics, this chance is approximately 16 with 112 noughts after it to one against, and yet everybody must surely admit these stupendous odds have occurred.

Surely we must admit "God's in His Heaven, all's right with the world."
