

## Railroad Worker Accused Of Propaganda Activity

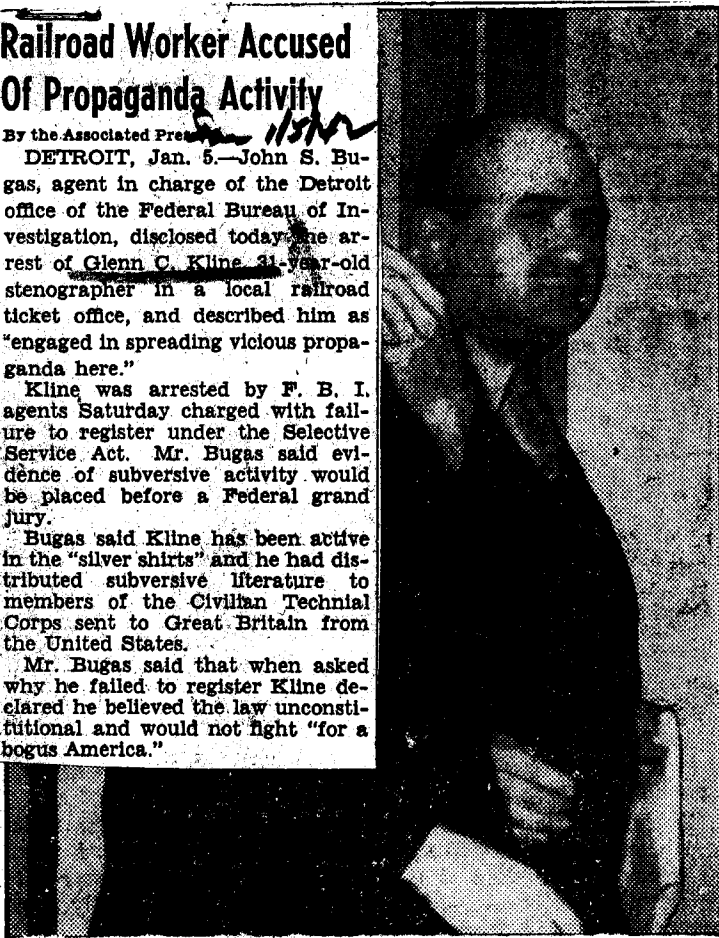

By the Associated Press

DETROIT, Jan. 5.—John S. Bugas, agent in charge of the Detroit office of the Federal Bureau of Investigation, disclosed today the arrest of Glenn C. Kline, 31-year-old stenographer in a local railroad ticket office, and described him as "engaged in spreading vicious propaganda here."

Kline was arrested by F. B. I. agents Saturday charged with failure to register under the Selective Service Act. Mr. Bugas said evidence of subversive activity would be placed before a Federal grand jury.

Bugas said Kline has been active in the "silver shirts" and he had distributed subversive literature to members of the Civilian Technical Corps sent to Great Britain from the United States.

Mr. Bugas said that when asked why he failed to register Kline declared he believed the law unconstitutional and would not fight "for a bogus America."
