Nazi Supporter Fined On Disorderly Charge

NEW YORK, July 6 (C.T.P.S.). Joseph McWilliams, Christian Mobilizer boss and congressional candidate who thinks Hitler is the world's greatest blessing, today was found guilty of disorderly conduct for his oratorical attacks on Jews. Magistrate Vincent J. Sweeney, in Felony Court, Brooklyn, fined the 36-year-old riot-inciter \$50—or 30 days in jail. Christian Mobilizer funds apparently being at a low ebb, McWilliams was given until July 10 to raise the money.
