... You, Too, Joe

**Primary Voters Keep
the Purge on Congressman,
Put It on McWilliams**

Republican voters of Yorkville don't want Fascist Joe McWilliams in Congress. And Democratic voters in the 18th Congressional District want John J. O'Connor, former Representative, to stay purged.

McWilliams, who spouted anti-Semitism from the tailboard of a covered wagon, was defeated in yesterday's primary, 4-to-1, by James Blaine Walker, Jr., regular Republican designee. Sixty per cent of the enrolled Republicans in the 18th District turned out. McWilliams got only 674 votes, in contrast to the 1132 signatures on his nominating petition.
