- A violently anti-Semitic circular letter is now flooding the mails, carrying a message of race hatred throughout the land. Sponsored by the Anti-Communist Federation of America (no address given), the circular contains a copy of a resolution purporting to have been passed at a meeting of the organization in Los Angeles on Washington's Birthday. The resolution calls upon Americans to put an end to the "insidious and subversive propaganda leading toward war with a friendly nation and one of the best customers for American goods and materials," and urges that, in case the Jewish minority succeeds in driving this nation into war, an army consisting only of Jews be forced to fight it, with war materials sold by Gentile manufacturers at wartime prices. Suggested for commissions in the Jewish Expeditionary Forces are Eddie Cantor, Walter Winchell, Ben Bernie, Jack Benny, George Burns, Paul Muni, Edward G. Robinson, Francis Lederer, the four Marx Brothers, the Ritz Brothers, Henry Morgenthau, Felix Frankfurter, Barney Baruch, Samuel Untermyer, Samuel Dickstein, Fiorello LaGuardia, Stephen S. Wise.
