Rep. Martin Dies, Chairman
Committee Investigating Un-American Activities
Washington, D.C. (Three Copies)

It is a cunning but not a clever trick, to defame Patriotic Americans who either dislike the ethics of the Jews or does not believe it to be to the best interest of Christianity and Americanism to let them overrun, usurp and change our Constitutional Form of Government. Your committee has declared Un-American anyone who objects to Jewish domination or happens to be anti-Jewish, we demand that the present investigation be carried to its fullest extent--that all testimony be published intact in the Press and that the American public be the Judge and Jury. It is for the Christian Americans who happen to be in the majority to decide as to whether or not their government is an atheistic-Jewish one, and if so, whether or not it shall continue. You claim to be 100% American--prove it by acting like one for a change and bring this question out into the open for the decision of the Loyal Patriotic Americans. If International Jewry and their satellites are guilty--the American people have a right to know. If they are not guilty I am sure that the American people would also like to know--as it would once and for all clear up their suspicions that the Jews are guilty.

If you are a real American Write or wire Martin Dies to support this demand--that we have made-----

President's mother is given medal

NEW YORK, April 4. (UP)—Mrs. James Roosevelt, mother of the President, held today the Albert Einstein medal for humanitarianism in recognition of a lifetime of "devoted service to every communal cause in the country." She received it "quite humbly" and with "great gratitude" at a ceremony yesterday. Mrs. Estelle M. Sternberger, general director of World Peaceways, the 1936 recipient, and James W. Gerard, former United States ambassador to Germany, were speakers.

JEWES START COURT OF OWN

NEW YORK, May 9. (AP)—The first Jewish Court of Justice in the United States, a rabbinical tribunal known as Beth Din, began functioning today within a few minutes' walk of Federal

The New York Yiddish Daily, "Der Tag," in an editorial on April 9th, 1936, states: "The Jews of America, because of their NUMBERS, interest and ability, constitute a GREAT POLITICAL FORCE. They have not usurped this power; it BELONGS to them as of right! They are going to exercise it as THEY see fit! What are YOU going to do about it?"

Court, the State Supreme Court and Criminal Court. An announcement from the Civic Center Synagogue said the court would sit daily, except Saturdays and holidays, and would hear civil and religious cases based on Jewish law. All judgments and decisions are to be final and without appeal. Litigants are to agree in advance that the decisions will have legal standing. From a religious viewpoint there are many questions which lay courts can not decide. "For instance," said the announcement, "where a Jewish couple obtains a civil divorce, they are not divorced in the Jewish law unless they obtain a divorce known as a get from a competent rabbinical authority."

Other cases involving Jewish dietary laws and disinterment, for example, are questions which may be settled by the court. A minimum of three rabbis will preside, or a maximum of 23, and on rare occasions a special panel of 100 rabbis may be convened.

MOSELEY SCORES DIES PROBE AS CAMPAIGN TO DISCREDIT HIM

By International News Service ATLANTA, May 26.—Lashing out with the vigor that marked his colorful army career, Major Gen. George Van Horn Moseley, retired, today in a brief statement charged that the activities of the Dies committee and others is "a smearing campaign to discredit me."

The retired officer declined, however, to comment specifically upon reports the United States War Department is investigating his activities to determine whether he had violated any regulation to which he is still subject, even though retired. Referring to the charges by the Dies committee, linking General Moseley's name with a reported anti-Semitic campaign, the retired general asserted: "This is simply a smearing campaign in which an effort is being made to discredit me. In the secret reports discovered by the Dies committee many very prominent New York Jews were mentioned in a most serious way and as far as I know they have not been investigated or called before the Dies committee. They are protected by most powerful influences of the Jews—influences which permeate this administration. I have a complete answer to the whole problem which should be published coast-to-coast in the interests of the American people. I had expected to testify Monday, but the Dies committee is to adjourn. "The whole thing smelt very much like Russia."

JEWISH YOUTH BODY TELLS WORLD AIMS "LA" H-EXP.

Acknowledgement of the common brotherhood of man is the goal toward which members of Aleph Zadik Aleph, junior order of B'nai B'rith, should strive through unceasing work. Such was the message brought to some 200 Alephs today by Sam Goldstein, district president, when the order's three-day western division convention opened at the

Hayward Hotel. Declaring that Alephs must strive ever harder to carry on the work they have undertaken as representative Jewish young men, Goldstein continued: "If we are not to betray those Jewish sages who gave to the world (Democratic ideals), if we are not to betray those American patriots who founded the American Democracies, we must never cease in our undertakings." Others who spoke at the opening session included Jack Spitzer, grand president of the international order; Lowell Adelson, field secretary of the central-northern region, and Seymour Holtzman, southern region field secretary.

California Haven For Exiled Jews Proposed

SAN FRANCISCO (AP)—Plans for a cooperative project to establish a California haven for Jews driven from Austria by the Hitler regime were outlined before an anti-Nazi mass meeting here last night.

THE LEAGUE AND PATRIOTISM

Town Meeting: The Hollywood Anti-Nazi League is always blowing off about being so patriotic and such good Americans, so I'm wondering why it didn't take some part in the recent patriotic rally in the Hollywood Bowl. If the League is such a 100 per cent American organization, as it claims, why were not some of its leaders on the platform? Well, I'd say the reason is that everyone who has given it any study knows that the League is Communistically inspired and not so American as it claims. ROY HARRINGTON

Why Shouldn't Jews Be Investigated For UN-AMERICAN ACTIVITIES???

If the Jewish sages have given us "Democracy" we must not forget that millions of Christians were sent out to offer their lives and the futures of their families for the preservation of that "Democracy" once before. The result is only too evident today. Despite the sacrifice made at that time, "Democracy" is still demanding the daily sacrifice of the lives of Christian babies who are starving to death; the sacrifice of the independence and pride of the Christian inhabitants of these Jewish "Democracies" who are forced to live as bondsmen to the governments who are ruling under this "Democratic" formula. It is not Democracy but Bolshevism, Communism and Starvation that we are receiving in return for our "tolerance" and rapt appreciation of the gift of the Jewish Sages.

It is time that Americans awoke to the actual menace of their present position. It is not a condition that time will better by any means. As time goes on, it becomes increasingly harder for Christian government to make itself heard in any instance. The solution lies in the hands of the Christian Americans. It is not Europe that needs the help and fighting blood of Christian Americans but the United States of America and its threatened Constitution.

Hundreds of thousands of dollars of American money has been spent investigating the supposed un-American activities of many people of American, of Irish, German, Scandinavian and other national origin, so why should not the activities of the Jew in America be investigated? There are reams of proof that these activities do not tend to further real Americanism which is of Christian origin. Are we to lie down and admit that the Jews have found their promised land here? Are we to admit that the laws laid down by our Christian forbears who discovered the land, founded the Constitution and builded the nation are unavailing or are we men enough to fight for what is ours? The AMERICAN RANGERS adhere to the latter philosophy. Without Freedom and Christian government, we, the real Americans, could not survive and we see no reason why, in a country builded by our people for their descendants, these same descendants should allow a destructive philosophy to do away with our Constitutional rights.

HELP TO SAVE AMERICA!

April 27th, 1939.

FELLOW AMERICAN:

Your moral support is desperately needed to make America a haven for the persecuted Jews of Nazi Germany.

Money is not needed! The influential and wealthy Jews of America, on the stage, screen and radio are doing their best to forward this movement. But you can help to spread information about this movement!

Here is what you can do.

- 1- Write your Congressman; tell him to advocate a letting down of the immigration quotas that restrict the entrance of our people.
- 2- Ask your neighbor to give a Jew a job. *should be figure as a business man*
- 3- Patronize the Jewish merchants in your neighborhood. X
- 4- Spread the word that America must go to war with Germany; if the Nazis are not defeated, the expelled Jews will never regain the possessions taken away from them by the monster Hitler!

There is room enough in America for all the persecuted Jews of Europe. America has always opened its arms to persecuted peoples.

DO YOUR PART TO MAKE AMERICA A HAVEN FOR THE PERSECUTED JEWS OF THE WORLD!

Yours fraternally,

Max I. Feintag
