

Pal of Anti-Semites PM 5/29/42 Leads Parade Unit

Boris Sergievsky, the man who signed a Nazi-inspired pamphlet with Boris Brasol, Russian anti-Semite and distributor of the phony *Protocols of Zion*, will march at the head of a column in the Memorial Day Parade along Riverside Dr.

Sergievsky's name was signed with Brasol's and Archbishop Vitale's to a document put out by the Russian-American National Committee Oct. 10, 1941. It was distributed by the America First Committee.

A parade call to all members of Garrison No. 297, Army and Navy Union, U. S. A., was sent by Sergievsky as commander under date of May 24.
