NOTICE

THE OTHER PEOPLE'S
MARCH ON WASHINGTON
HAS BEEN CALLED OFF FOR
THE FOLLOWING REASONS:

1. We would be fired from our jobs if we just up and left....No one pays us for not working..
2. We consider education important and we don't want our children to miss time from school..
3. We like to live in clean homes without trash and rats. If we are gone who will assume our responsibility?
4. We believe laws should be changed by peaceful vote instead of non-violent burning, looting, and intimidation.
5. We're afraid that if we stop working there would be no one to pay for the millions on welfare..
6. Most of all, we feel that war time is no time to encourage our enemies by promoting national disorder and weakness.

You Bet, I'm FIGHTING POVERTY..
I'M WORKING.....
