Dear Mr Schoener,

A group of religious leaders, including representatives from Moscow calling themselves the World Council of Churches, have just closed a conference in Tulsa.

While here, one of the officers blasphemously said that the only place for the flag in the church was near the door where it could be used as a door mat.

We feel that it is time for someone to zero in on the WCC and expose it for what it is...a socialistic apostate world church. For that reason, we have published a new book on "The World Council of Churches - Architects of a One-World Church," which I will gladly send you upon request.

During February, we have set out to raise \$100,000 to undergird our radio ministry. Because of the elections and the holidays, our contributions have fallen off. We must raise \$100,000 to return us to a solid footing. Your help towards reaching this goal is imperative.

I am enclosing an Opinion Poll form. Your opinions as to what your Christian Crusade should do for the remainder of 1969 and 1970 will strongly influence our THRUST. Will you return this all-important OPINION POLL today?

Thanks so much, Mr Schoener.

In Christ,
Billy James Hargis
