Dear Mr Schoener,

I am enclosing a printed letter of such great importance, I felt it best to write this personal note to call it to your attention. In summary, it concerns the following.

Throughout the country, liberal priests, ministers, and rabbis are advocating revolution and suicidal destruction for our country...Groppi of Milwaukee preaches "steal, but don't get caught"... a Protestant leader said, "If I had my way, I would burn down half the churches and use the money for revolutionary purposes." We must raise up Bible-believing clergymen that will offset the satanic works of these clergy-anarchists.

I want to bring 500 clergymen to Tulsa May 6-9, to train them in Christian anti-Communist leadership.

Here is where you come in, Mr Schoener. I must have your financial assistance to build up a Scholarship Fund for this May 6-9 Preachers Seminar. God knows it's the greatest investment we can make to raise up leadership to challenge Communism in the U.S.A.

Will you help me financially underwrite this great undertaking? For \$100, we can train one minister. Whether or not you can sponsor one or more ministers, I do ask you to do your best.

Gifts of any size to this Scholarship Fund are absolutely essential to do this. Mr Schoener, whether your gift is \$100 or \$10...\$50 or \$5...\$20 or \$2...any amount, and I repeat, any amount, will be sincerely appreciated. Time is of the essence, so please answer me today.

Yours in Christ,
