Of Dies Probe

People's World 11/6/39
NEW YORK, Nov. 5 (AP)—Denouncing the Dies Committee for "provoking war hysteria with witch-hunting methods" the National Assembly of the American Youth Congress called yesterday upon its thousands of members to circulate a petition, drawn up by the assembly, throughout the nation's schools and YMCA's, calling upon Congress to disband the inquisition committee as a threat to democracy. *PW 11/6/39*
