Some anti-germite passed  
up question to check on  
payments to Cobb & girl,  
the paper was a little  
arithmetical,  $1500 \times .25 \div 2 =$   
 $\$187.50$  us., This led to  
the questioning about  
money, esp. cent.

He then passed up a note  
showing that when \$45  
was added it came to  
\$232. Then Lynch asked about  
contributions.
