CR 4/10/40 -

Incarceration & sleep of Caxie.  
asked when Committee  
was going to do something  
about KKK which P. said  
was then very active in  
South. M. said this  
was in the floor, which the  
Record shows.

While this seemed to answer  
this question he inferred  
the Committee has  
never announced it wasn't  
going to do anything  
about The KKK
