Reading, Pa. (Sunday), June 16 (AP).—State Motor Police Sergt. Edward C. Sickel announced early today that two men he said were officials of the German-American Bund have been arrested "for questioning" and are being held on an open charge.

He identified the men as Wilhelm Kunze, 34, of New York, acting national leader of the organization, and Gustav Joseph Elmer, 49, of Hoboken, N. J., bund secretary-treasurer.

Sickel said they were being questioned about papers, literature and credentials found in their possession.
