

KUHN AIDES FACE QUIZ BY McNABOE

6/5/38

Jews Unpatriotic, but Germans Are Different, Leader Says

Several aides of Fritz Kuhn, Fuehrer of the German-American Bund, were called before the McNaboe Committee today to follow their leader to the witness stand.

Kuhn spent all day yesterday explaining that the members of his organization are anti-Semites and at the same time 100 per cent Americans.

"All the Jews are enemies of the United States," he said, reconciling two positions which appeared contradictory to the members of the legislative committee.

"Jews are Jews first before they are Americans."

But Germans Are Patriotic

While thus denying any patriotism among Jews, Kuhn objected strongly when Senator McNaboe referred to his followers as Germans.

"Please say German-Americans," Kuhn asked.

As half the audience at the hearing hissed and the other half, Kuhn supporters, cheered, Kuhn said that the Jews dominated and direct the Communist movement; that both the Democratic and Republican parties are controlled by the Rothschilds through Kuhn, Loeb & Co. and the Warburgs; that the family of J. P. Morgan has Jewish blood and that the anti-Nazi boycott was started by Samuel Untermyer on orders from Moscow.

When he was asked for proof of these statements, Kuhn said it would take four weeks to assemble it, and Senator McNaboe told him to get it and bring it back to the committee.

Admits Destroying Rolls

The paunchy Nazi leader admitted to the committee that last October he destroyed the membership list of the "Order Division," the uniformed section of the Bund.

"We thought it more safe," he said. "We thought if the members' identities were learned they might lose their jobs. Some have."

Kuhn said that the purpose of the Bund is to "build an Aryan movement under the swastika to liberate America from the Jews," and he concluded his testimony by saying that the Nazi salute is "the coming salute for the whole United States."
