

Browder To Defy Ohio Nazis

'Legion of Action'
Will Not Stop Toledo
Meeting, Says Eggert

(Special to the Record)

TOLEDO, O., June 13—The Legion of Action, formerly the Black Legion and other Nazi and fascist groups determined to prevent Earl Browder, Communist Party leader, from speaking here next Saturday, have succeeded in getting the Toledo Trust Company to break the contract for the use of Security Hall for the meeting.

Said Ken Eggert, Lucas County secretary of the Communist Party:

City. We have known for some time that there are Nazi agents who are officials in the Toledo Trust Company who would like to establish a Hitler knout and castor oil rule in America.

The threats against Mrs. Schier, manager of the hall is a continuation of the terrorist work of the Black Legion in Toledo.

"We have a receipt in full for the use of the hall on that night and the meeting will proceed as scheduled if not in the hall then outside."

Security Hall was rented last week by the Communist Party after other halls refused to permit the meeting.
