

Nazi Bund Leader Booed

Fritz Kuhn
In N. Y. Probe
Libels Jews

(Special to the Record)

NEW YORK, June 24—"Jews and Communists control the Communist, Democratic and Republican parties!"

While New York legislative members still pondered that statement—made by Nazi Fritz Kuhn at the hearings here into the German American Bund—the probe into the Hitlerite band continued today.

"All Jews are enemies of the United States," Kuhn told the investigators.

KUHN BOOED

Kuhn outlined the growth of the Bund and its spread to 94 cities in the U. S. He charged that Jews were the master minds behind the Communist Party; that the Rothschilds, through Kuhn, Loeb and Co. and the Warburgs, control the Democratic and Republican parties; that the family of J. P. Morgan has "Jewish blood" and that the Nazi salute will soon be adopted universally by the American people.

With his testimony reading like a Hitler speech, Kuhn time and again was hissed by the audience that packed the legislative chamber. The Nazi charged that 60 per cent of the persons listed in "Who's Who" were Jews. Asked for his membership lists, Kuhn said he had destroyed them.
