### NAZIS SLAPPED BY PHILLY JUDGE IN RULING ON WILL

PHILADELPHIA, Dec. 13—  
(TP)—A direct slap at the Nazi  
government's refusal to permit  
German money out of the Reich  
was affected today in a Phila-  
delphia court when a judge ap-  
plied the same principle to Amer-  
ican money.

Judge Raymond MacNeille re-  
fused to authorize the distribu-  
tion of a \$91,000 trust fund be-  
longing to the late General  
Franz Hartman. The money was  
to be distributed to relatives in  
Germany.

He condemned the Nazi policy  
of not releasing money belong-  
ing to persons in this country.

Said the judge:

"It is time such a situa-  
tion be brought before the  
American public."
