Gary Judge Raps Bund

Nazi Group Abuses
Free Speech, Says
Lake County Judge

GARY, Ind., March 15—
(TP)—Circuit Judge Jenkins
dissolved today a temporary in-
junction restraining the Ger-
man-American Bund from meet-
ing in Lake County, Ind.

Judge Jenkins said: "The
Bund no longer is functioning
in Lake County—and it appears
to the court that there is no
semblance of a possibility that
it will function.

"The allegations of the com-
plainant clearly showed that
constitutional privilege of free
speech had been and was being
abused by the Bund. Freedom
of speech, freedom of press and
the right of peaceable assembly
are each and all guaranteed by
the constitution for preserva-
tion of this republic.

These rights are inherent but
they are rights which do not
give any one license to under-
mine or destroy the very founda-
tion upon which our govern-
ment rests."
