T-H 6/6/41  
NEWARK, N. J., June 5 (N. Y. News) — Sheriff Denton J. Quick, long-time nemesis of the German-American Bund Camp Nordland, recently closed in adjacent Sussex county, today was in the law's toils himself—as a moonshiner. Together with 15 other persons, he was indicted by a Federal Grand Jury in Newark in connection with operation of a still. Quick asserted it was a political plot and declared his innocence.
