

HOW ABOUT INVESTIGATING THESE, MR. DIES?

We could get most of this in a pamphlet by printing it on a double page so that all is visible when the book is spread open

These are samples of the Nazi literature distributed in Los Angeles. Who pays for their printing and circulation? What ties do their publishers have with the German-American Bund and with the Nazi government of Germany? To what extent are they promoted by other groups that are opposed to the New Deal but cannot risk using anti-Semitic propaganda? These are some of the questions the American people are waiting for Congressman Dies and his Committee to Investigate Un-American Activities to answer.
