

HANDS UP!

NAZISM! FASCISM! COMMUNISM! THREE OF A KIND!

These are the three anti-God, anti-humanity, anti-democracy ideologies that have swept over half of the world.

The poison of these three foreign ideologies is being injected into the people of America.

Hitler! Mussolini! Stalin! Birds of a Feather! Brothers in Plunder!

These three tyrannical despots ride astride a world craving Peace.

These three bloody dictators are tearing the civilized world apart with fear and terror.

Of all the countries of the civilized world, Nazi Germany, Fascist Italy and Communist Russia have the lowest standards of living.

Of all the countries of the world, Nazi Germany, Fascist Italy and Communist Russia have destroyed the free worship of God.

Stalin, Dictator of Russia has said: There is no God. Religion is but a drug for the people.

Hitler, Dictator of Germany has said: Religion is a lie. Hitler is supreme—even over God.

Mussolini, Dictator of Italy has said: The Fascist state is everything. Fascism must be the new world religion.

Hitler, Mussolini, and Stalin have decreed an official boycott against religion!

Hitler, Mussolini, and Stalin have declared an official ban on Liberty and Democracy!

In Nazi Germany, Fascist Italy and Communist Russia no person has the right of trial by jury.

Hitler, Mussolini, and Stalin, the despots of the twentieth century, have brought the dreaded "star-chamber justice" of the middle ages to life again.

In Nazi Germany, Fascist Italy, and Communist Russia there is neither free speech nor a free press.

In Nazi Germany, free speech is punished by imprisonment in concentration camps or by the executioner's axe.

In Fascist Italy, free speech is punished by the dreaded castor oil treatment or by the hangman's noose.

In Communist Russia, free speech is punished by exile in Siberia or by the bullets of a Red firing squad.

Hitler! Mussolini! Stalin! Three birds of a single feather!

These are the three arch trouble-makers of the world.

They have pledged to destroy the democracies of the world.

They have pledged to destroy the religion of God-fearing people.

They have pledged to conquer the world by force and aggression.

Everywhere, including the United States, the agents of Hitler, Mussolini and Stalin are spreading terror and unrest.

Nazis, Fascists, and Communists are commanded to bore from within to destroy the faith of the people in the Democratic way of life.

They want to destroy the strength and well being of the American people.

They want to destroy the Democratic rights of the American people of free religion, free press and free enterprise.

They want to conquer the American people with the foreign ideologies of Nazism, Fascism and Communism.

AMERICANS! AWAKE!

UPHOLD AMERICAN DEMOCRACY!

Resist the menace of Nazism, Fascism and Communism!

**Don't put your hands up for
