

Labor UNDER the Whip

The American Standard of Living is in danger!

Progress and security in the United States and elsewhere in the world are retarded while Adolf Hitler, the Nightmare of the Civilized World, continues his plundering attacks on the decent way of life.

American workers are faced by a real crisis because of the ruthless aggression of Adolf Hitler, enemy of all honest toilers.

THE AMERICAN WAGE SCALE IS AT STAKE.

THE SHORTER WORK-DAY IS AT STAKE.

JOBS AND RE-EMPLOYMENT ARE AT STAKE.

The activities of Adolf Hitler and his crew of mad, plundering Nazi Leaders are of vital importance to all working people in the United States and in the entire world.

HITLERISM IS THE REAL ENEMY OF ALL WORKERS.

Hitler destroyed the German labor movement by confiscating the funds and property owned by German trade unions. (By Decree, May 2, 1933.)

Hitler destroyed the German labor movement by assassinating German labor leaders.

Hitler destroyed the German labor movement by imprisoning in concentration camps defenders of the German labor movement.

Today all German workers must belong to the Nazi Labor Front, created by the anti-labor Fuehrer, Adolf Hitler.

Today the workers of Nazi Germany are little better than slaves.

HITLER FORBIDS STRIKES.

HITLER FORBIDS COLLECTIVE BARGAINING.

HITLER FORBIDS THE WORKERS TO MOVE FROM TOWN TO TOWN, FROM PLANT TO PLANT, OR EVEN FROM JOB TO JOB.

HITLER HAS WHIPPED THE WORKERS OF GERMANY INTO A NEW SLAVERY.

Duffy, Baltimore Sun

HITLER DECREED IN FEBRUARY, 1937, "THE INDIVIDUAL'S AMBITIONS OR DESIRES ARE SUBSERVIENT TO THE STATE'S INTERESTS."

IN PLAIN LANGUAGE THIS MEANS DEATH TO INDIVIDUAL INCENTIVE AND AMBITION.

Today, no matter how the employers exploit them, the workers of Germany have neither the right of protest, of strike, nor of recourse to a governmental agency.

TO COMPLAIN, TO HOLD A MEETING, TO PROTEST MEAN DEATH OR A CONCENTRATION CAMP.

TODAY THERE IS FORCED LABOR IN NAZI GERMANY.

Forced labor is labor which receives no wages. Hitler sends thousands upon thousands of young workers into forced labor camps each month where the sweat of their brows and of their brains are given to employers without wages.

Today more than one million honest workers have been conscripted into Hitler's army of aggression, uprooted from their jobs and homes.

The 60 Hour Week! Labor Slavery! The Labor Front! Starvation Wage Scales! Wholesale Conscription into the Army!

This is the fate of the workers of Nazi Germany!

THESE ARE HITLER'S TACTICS WHICH THREATEN THE WELL-BEING OF EVERY COUNTRY OF THE WORLD.

The American employer, the manufacturer, the businessman, the average American boss, cannot compete with such ruthless methods.

We in the United States want the short hour week. Hitler is forcing the 60 hour week on the world.

We in the United States want higher wages and better working conditions. Hitler is forcing low wages and international peonage on the world.

THE MENACE OF ADOLF HITLER TO THE AMERICAN WORKING MAN AND WORKING WOMAN IS REAL AND IMMEDIATE.

Hitler dumps goods all over the world, and undersells honest, decent businessmen everywhere. The businessman who must compete with Nazi Germany is faced with two choices. He must either eventually go out of business, or he must cut the wages of his workers and extend the hours of work, so that he too can throw cheap merchandise on the market.

AMERICAN LABOR MUST DEFEND ITSELF AGAINST THE REAL ENEMY OF LABOR: ADOLF HITLER, THE ANTI-LABOR, ANTI-HUMANITY TYRANT WHO RULES NAZI GERMANY.
