

LAND OF THE FREE

"We can have no "fifty-fifty" allegiance in this country. Either a man is an American and nothing else, or he is not an American at all. We are akin by blood and descent to most of the nations of Europe; but we are separate from all of them; we are a new and distinct nation."

THEODORE ROOSEVELT

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the Pursuit of Happiness."

So states the Declaration of Independence.

For this sacred Declaration, the American people fought a long and harrowing war, sacrificing their lives and fortunes.

Protestant, Catholic, Jew—rich man and poor man—all fought side by side to bring that war of the American Revolution to a victorious ending.

The American people fought to hew out of the American earth and the American wilderness, a way of life dedicated to liberty, equality and freedom.

This is the way of life safeguarded in the American Bill of Rights, which guarantees to each man freedom of religion, freedom of assembly, freedom of the press, and the glorious civil liberties which distinguish American democracy from the restrictive dictatorship of Adolf Hitler, tyrannical Fuehrer of Nazi Germany.

The Bill of Rights and the Declaration of Independence are the essence of American democracy and the keystones of the American way of life.

Today these sacred doctrines are under fire.

Today these fundamental principles are being attacked by Adolf Hitler.

Hitler says: Democracy must be destroyed.

Hitler says: Protestants, Catholics, Jews—rich man and poor man—must be regimented and regulated by Adolf Hitler, self-appointed arbiter of the destiny of the world.

Hitler is determined to destroy the Declaration of Independence and the Bill of Rights in the United States as he has de-

stroyed the once budding republics of Germany, Austria and Czechoslovakia.

In place of liberty, equality and freedom, Hitler has set up a dictatorship of constriction and hate.

In place of the democratic way of life, Hitler has set up a way of life based on war, concentration camps, star-chamber justice, the headman's ax, and terror by night and by day.

In his international war on Democracy and on the sacred rights of free men, Hitler employs the poisonous devices of paid propagandists and paid Nazi agents.

Throughout the length and breadth of the United States these "brown-shirted" and Nazified tools of Adolf Hitler spread the hatred of man against man, religion against religion, race against race.

Hitler and his agents spread hatred against Protestants.

Hitler and his agents spread hatred against Catholics.

Hitler and his agents spread hatred against Jews.

Hitler and his agents spread hatred against American Democracy and against the full freedom of American life.

Hitler is the leading anti-democratic force in the world today.

Hitler is the Fuehrer of all hate mongers in the world today.

Willingly or unwillingly, wittingly or unwittingly:

He who spreads the hatred of one man against another is an agent of Adolf Hitler, aiding and abetting him in his heinous plans against democracy.

He who spreads the hatred of one race against another is an accomplice of Adolf Hitler, world enemy number one.

He who spreads the hatred of one religion against another is an agent of Adolf Hitler.

AMERICANS AWAKE.

THERE IS NO PLACE IN THE ACTIVITIES AND IN THE MINDS OF TRUE AMERICANS FOR THE FOREIGN IDEOLOGIES OF ADOLF HITLER AND HIS AGENTS IN AMERICA.

Americans must stop to remember the Declaration of Independence and the American Bill of Rights.

Americans must ask themselves:

ARE YOU AN AGENT OF ADOLF HITLER?

If you pit one race against another, you are an unwitting agent of Adolf Hitler.

If you pit one religion against another you are an unwitting agent of Adolf Hitler.

If you pit one American against another American you are an agent of Adolf Hitler.

Hate and Intolerance are Adolf Hitler's weapons against Democracy. They are a smokescreen concealing his aims to destroy free speech, free religion and freedom of thought.

Hate and Intolerance are foreign importations from Nazi Germany.

If you are aiding in the spread of hate and intolerance you are aiding Adolf Hitler, the foreign Fuehrer, in his scheme to destroy American Democracy.
