PICTURING a Nazi leader holding the American flag while a hated swastika is pictured in the background, this Bund leaflet calling an "All-American" rally is being widely circulated in the city. It is part of the campaign to try using the "Our America" theme to win fascist converts. "Ravenswood 7230," phone number of the Huntinghouse Hall, was ringing constantly yesterday with protests against the meeting. The owner is trying to cancel his contract with the Bund.
