## **Bund Find New 'Front' in Liquor Board Protest**

The Nazi German - American Bund has found a new "front." Advertised only as a meeting to "protest the dictatorial policies of the State Liquor Authority," an assemblage at 656 Flatbush Ave., Brooklyn, Tuesday night turned out to be a Nazi rally, persons who attended report.

Jews who were attracted by the advertising were expelled from the meeting. Handbills announcing the affair were unsigned.

Nazi-sympathizing bar proprietors who always oppose regulation have long furnished a haven for local Bundists.
