Arctic Circle Exploration, Inc.,  
Candle, Alaska.

Dear Sir:

We are in the process of disseminating patriotic literature in Alaska, and throughout the United States, such as outstanding speeches by Congressmen and other patriots who stand for constitutional government.

Your name comes to us through our efforts to locate interested and patriotic citizens in Alaska.

We are sending you under separate cover a book, Rescue the Republic, 463 pages, along with a couple booklets. The book contains the speeches of Hon. Jacob Thorkelson which were made in the first session of the 76th Congress. One of the booklets contains a speech by Dr. Thorkelson. There is on the press now his first speech in the second -- or present -- session of the 76th Congress, and if the final run is off the press before mailing time, a copy will accompany this letter.

A price list is enclosed and trust Dr. Thorkelson's book and other material will meet with your approval, and that we may have your order for a number of these books at an early date.

Yours very truly,

PELLEY PUBLISHERS
