

Apr. 21, 1939.

Dear Dave: Subject: Admiral C. C. Bloch,
 Commands fleet sent to Pacific, which is
 greater part of the U. S. Navy.

¶ Is this Admiral Bloch a Jew?

¶ WHO'S WHO IN AMERICA lists: Bloch, Claude Charles, naval officer, born Woodbury, Ky., July 12, 1878; grad. U.S. Naval Acad., 1899. Married Augusta Kent, San Francisco, 1903. (Much passed over here).

In 1938 appointed:

 Commander-in-Chief U. S. Fleet.

Belongs to Army & Navy Club and Chevy Chase Club.

Seems to me I saw once that there is an Admiral Bloch in the U. S. Navy, WHO IS A JEW. Not in WHO'S WHO IN AMERICAN JEWRY.

What could be sweeter at this time?

WHO'S WHO IN AMERICA does not give his religious or church connections -- just a blank on that point.
