Italian Agents

Gaeteno Vecchiotti

Within the Gates, Nation, 7/27/40, pp 73

Italian Library of Information

.....Typical of these official agents is GmetamorNechtottixx the Italian consul general in New York, Gaetano Vechiotti, who, in addition to supervising the distribution of fascist propaganda, has addressed several mass meetings of uniformed Italian-American Black Shirts. The propaganda work of the embassies and consulates has been aided during the past year by the German Library of Information and for the past three years by the Italian Library of Information, both in New York.
