

Wolf! Wolf! Wolf! The Wolf is Coming

Talking of Nazis Invading The U. S. Explains Insanity

All money and war mongers naturally advocate it, because of selfish reasons. Hypnotized people easily believe in a wolf story, and the ignorant prejudiced people are easy victims of it. And I say whoever you are, this wolf story is a devilish lie.

THE TRUTH

I say and I know that this is the truth:—Mr. Hitler and his following are going East to Asia and the U. S. A. is going West, and it is there the Great White race people will unite under ONE GREAT CHRISTIAN WHITE MAN'S FLAG and take charge of the whole Earth for the good of all concerned.

ONLY TWO FRIENDS

The Great Jewish people have but two real friends on Earth:—

No. 1. is a great Man of God who is taking away from them all of their present false hopes, and when this is accomplished, then will they meet their other and only true number 2 friend, their Messiah, with his outstretched arms to greet, bless and give them the greatest of all messages: A message that explains how to eliminate the curse of their flesh and all persecution, for all time to come.

PREPARE FOR WAR

The United States of America must go full speed

ahead in preparing for a coming war, all because of uncontrolled undermining tactics of the Yellow race of people which has gone aggressive and cockily savage.

Here is the explanation:—The hidden ingenuity of Christianity that has been working upon the great White race people has not only qualified them to lead in the Great March of intelligent progression, but also to invent all of the great things of this earth, and these inventions have acted as a great Oriental-trap to capture them. The good the Orientals saw in these inventions was the bait that caused them to fall into the trap, and the outcome is these entrapped Orientals have developed in them war-like savage tactics. In spite of themselves they are going to do the savage thing that will cause the great White race of people to cash in on what they have unconsciously entrapped. Following up the outcome of this yellow race, there will be developed a White Man's Supremacy to rule the entire Earth for all time to come. The White race of people will become the RACE KING for the good of all concerned, where peace will be on Earth for all time to come. When this RACE KING principle is established, it is then all mankind will be made happy.

Sane Democracy

ALL PEOPLE are essentially equal in position but in no other way, and I say this same rule applies to all other things. And here is another high-light idea that is being advocated: Having freedom in the pursuit of happiness. I claim that is also another insane, misleading, and destructive idea, because it results in drunkenness, adultery, race crime and all other kinds of crime in our country. I contend that proper segregation and regulation is the true idea.

Adolf Hitler and his associates specifically want a United States of Europe, minus a misleading money power that has been running the entire world for several centuries. England mistakenly wants to perpetuate her old out-of-date majesty money power and continue in holding control and throttling the open seas of the earth. But the hidden plan of Christian progress says the White Race of people must unite as one great White race, regardless of nationality, and rule the entire earth.
