**SILVER SHIRT GROUP
GETS PRISON TERMS**
Dec 30/39
**Anti-Jewish League Members
Guilty in Chicago Sabotage**

Special to THE NEW YORK TIMES
CHICAGO, Dec. 29.—Three members of the Silver Shirt League of America, anti-Semitic and anti-Communist organization, were sentenced to one to ten years in the penitentiary by Judge John S. B. Arbaro in the Criminal Court today. They were found guilty on charges of malicious mischief by a jury of eight women and four men. They are Homer Herman Maertz, who uses the title of "Doctor," 28 years old; Fred Pokorny, 36, and Douglas Campbell, 21. Two other defendants, George Heppner, 25, and Joseph Schimpf, 45, were acquitted.

The five men were arrested after it was testified they threw bricks through four windows of a Goldblatt Brothers' department store Oct. 23.

Police said that they admitted tossing the bricks as they were returning home from a Silver Shirt dance.

Prosecutor Richard Devine asserted that the window breaking was inspired by race hatred of the Silver Shirt organization, in which the three men convicted admitted membership. They and the two other defendants are also members of the Dearborn Crusaders, a Chicago organization which also is anti-Jewish.

Mrs. Margaret N. White, forewoman of the jury, said that the jurors agreed that the case involved more than simple window breakage.

"We disagreed for a long time, but in the end we all concluded that it was not a simple case of malicious mischief," she said.

Defense attorneys indicated that the convicted men will appeal.
