## Boast that Pelley Was 'Born of Virgin'; Arouse Public Ire

BREMERTON, Wash.—The rapidly less popular "Christian" party brought a stormy citizenry upon its head here last week, upon issuance of a multigraphed leaflet entitled "Christian Party Program."

"What America needs today is a "united front" with Germany to disfranchise all Jews and liquidate all the detestable Jewish businesses and their political influence. Eliminate all non-Aryans from all responsible positions! . . ." Thus opened the blast.

### "Communist Controlled A.F.L."

The leaflet continues, warning of the "Jewish-Communist controlled A.F.L.," advocating all disputes to be "settled by our President PELLEY and our Captains of Industry," and demanding a "National Labor Front" by government decree. Pacifist ministers are raked on the coals and the great William Dudley named as the one true Christian:

"Reorganize . . . the church under the banner of the Christian Party led by our Savior Pelley, who was himself, reputedly, born of a Virgin Mother!"

The Bremerton Sun responded to popular demand with a page one, four-column editorial, bannered, "Heaping Insult on Intelligent Citizens." Even the "official chairman of the Bremerton Christian party" announced through the "Searchlight" repudiation of the document. His identity is still concealed.

### Ousted by Labor Temple

The Christian party held at least one earlier meeting in the Labor temple, but had the door permanently closed last week when its true character became known.

Young delegates to the United Youth conference on the 6th to the 8th of March, Tacoma, are making a special point in their reports of the sharp opposition to the Pelley movement, and promise to inform all church youth of its anti-Christian creed.
