

More Atascadero Silver Shirts

ATASCADERO. — Careful investigation has uncovered another Silver Shirt Council in this town, already too well supplied with these Fascist nurseries.

Charles W. Eisenbise, secretary of the Atascadero Trading Association, allegedly supplied paper for these Nazi babes.

The A.T.A. is a co-operative whose leadership has been captured by Silver Shirts. It is spending \$76,000 of Rural Resettlement Administration funds while its leaders try to advance their Fascist ends by damning Reford Tugwell as a Jew and Communist.
