CENTRALIA, June 17.—Roy Zachary will not offer to shoot President Roosevelt "if no one else will" in the high school here tonight.

The meeting of the Silver Shirts, scheduled for the prairie town school, was cancelled when Mayor D. O. Nugent was informed of the meeting.

"The meeting is not in the public interest," Nugent declared. "I don't know if the school board has granted permission for the meeting, but I know that it will not take place. I have so informed the chief of police."

Nugent denied the use of the hall after he had been informed by the International Woodworkers of America of Zachary's threats against the President at supposedly closed meetings.
