

Silver Shirt Ally

By Carl Harris

Fascist violence loomed anew in Chicago yesterday with the formation of a new group organized to "regain the government."

The organization, allied with the Silver Shirts, uses the insignia "U. S. Unite!"

Leader of the group is Newton Jenkins, former bank president, who has been connected with every fascist movement in the middle west in recent years. Jenkins has been an unsuccessful candidate for public office on a number of oc-

casions.

Spokesman told the "we'll take from the necessary."

Speaking meeting at auditorium in Bldg. Drive, before 150, Jenkins

"We members of the United Jewish Congress are the Jewish League of the Americas and committee."
