

GERALD L. K. SMITH. A former chum of Coughlin, Smith in 1936 organized a fascist Committee of One Million with the avowed intention to "seize the government of the United States." The committee, which claims 3,000,000 members, now operates from Detroit, spreading lies against President Roosevelt and our allies, Britain and Russia. Last month Smith started publishing a monthly "magazine" called *The Cross and the Flag*, which calls for the return of the US Fleet to our own shores.
