

Martin Luther Thomas: So called minister of the
Gospel. Radio broadcaster. Openly fascist
and is a leading Anti-Semite. Founder and
leader of the Christian American Crusade. See
attached leaflet "Shall Communism Take Over The
U.S.A.?" Federal Radio Communications should
shut him off the air. Last week he made a
vicious personal attack on President Roosevelt
suggest pressure on federal authorities curb
his treasonable utterances by denying him use of
the radio. A firm veto was issued following
his attack on the President. Believe he is
secretly connected with Black Legion and
Klu Klux Klan. H. H. Hottel Committee
should thoroughly investigate this vicious,
patriotic, and un-American activity.
