Dear Jeremy,

When you phoned to tell me you have the Case Open printout I forgot to tell you that the version I have ends at page 778 or 788. I do not know if the disk goes any farther. If it does not if you'll let me know what ~~the~~ chapter that is I think I can now get the rest retyped. I mean from the rough rough draft.

Yesterday I received what I was told is the first half of a NEVER AGAIN! after copy editing. That was my first knowledge that it had been retyped. There is no point in my reading it because it has already gone to the printer. I was asked for a couple of citations. I was told that the remainder would be sent yesterday or the day before. What is to come includes the Afterword I believe may be of interest to you. I'll be able to know when that reaches me if there has been any cutting of what might be of interest to you. I'll let you know if it does.

If when you get a copy it does not include all I told you I had in it on the autopsy notes, please let me know the chapters if you'll like what was eliminated.

I do not know that you'll want a copy before it is available in the stores but if you do, ask Herman Graf or Kent Carroll at Carroll & Graf, 260 Fifth Ave., New York, NY 10001.

As I believe I told you I have the rough draft of NEVER AGAIN! after editing and elimination of what was to be restored and if you have any need for it you are welcome to borrow it.

Sincerely,

Harold Weisberg

Diskettes and Aynesworth story here today. Thanks. The settlement in that case was reached long ago, with announcement awaiting finalizing. So, I'm surprised at the leak. Aynesworth does not refer to the depositions plaintiff's counsel took. They I think hurt JAMA very much. And all the pathologists and Breo. Aynesworth has been very much a partisan from the first. As you may have heard, he was involved in the early story that Oswald had had some official connection. He denied to me what Hudkins told me. If you have need to get in touch with Hudkins, he is a friend. He testified before the Schweiker subcommittee without counsel and asking no immunities, he told me. Schweiker offered him counsel. Lonnie is a very conservative guy who is still newspapering.
